# **APPLICANT LETTER**

Dear Applicant:

This application packet contains information and the required forms for you to use in submitting a new application for funding under one program authorized by the Individuals with Disabilities Education Act (IDEA). This packet covers one competition under the Technical Assistance and Dissemination to Improve Services and Results for Children with Disabilities (CFDA 84.326) program--Applications for New Awards; Technical Assistance and Dissemination to Improve Services and Results for Children with Disabilities—Model Demonstration Projects to Improve Literacy Outcomes for English Learners with Disabilities in Grades Three through Five or Three through Six (CFDA No. 84.326M).

Please take the time to review the applicable requirements, definitions, selection criteria, and all of the application instructions thoroughly. An application will not be evaluated for funding if the applicant does not comply with all of the procedural rules that govern the submission of the application or the application does not contain the information required. (EDGAR §75.216 (b) and (c)).

Please note the following:

- **GRANTS.GOV APPLICATION SUBMISSION.**

Applications for grants under this competition **must** be submitted electronically using the Grants.gov Apply site ([www.Grants.gov](http://www.Grants.gov)). Please read carefully the **Grants.gov Submission Procedures and Tips for Applicants** document that we have included on page A-42, which includes helpful tips about submitting electronically using the Grants.gov Apply site. We strongly encourage you to familiarize yourself with Grants.gov and strongly recommend that you register *and* submit early. **Also, applicants are required to upload their attachments in PDF format only.** Please be aware that applications submitted to Grants.gov for the Department of Education will now be posted using Adobe forms. Information on computer and operating system compatibility with Adobe and links to download the latest version is available on Grants.gov. **Note: If “security enabled” is checked in your adobe settings the files will not be accepted by Grants.gov.** Please note that you must follow the Application Procedures as described in the Federal Register notice announcing this grant competition. Information (including dates and times) about how to submit your application electronically can also be found in section D-1 of this application package, Application Transmittal Instructions and Requirements for Intergovernmental Review. Additional instructions for sending applications electronically are provided on page E-4, Application Forms and Instructions for Grants.gov Applications.

- **MAXIMUM AWARD AMOUNT.**

In addition to providing detailed budget information for the total grant period requested, the competitions included in this package have maximum award amounts. Please refer to the specific information for the priority/competition to which you are submitting an application (i.e., Section B of this package). Please be advised that for the priority in this package, the maximum award amount covers all project costs including indirect costs.

- **STRICT PAGE LIMITS AND LINE SPACING OF APPLICATION NARRATIVE.**

The competitions included in this package limit the Part III Application Narrative to a specified number of double-spaced pages. This page limitation and double-line spacing requirement applies to all material presented in the application narrative. This double-line spacing requirement also applies to all text in charts, tables, figures, graphs, and screen shots included in the application narrative. (Please refer to the specific requirements on page limits for the priority/competition to which you are submitting an application, Section B of this package). The Department will reject, and will NOT consider an application that does not adhere to the narrative's double-line spacing and page limit requirements for the competition.

- **FORMAT FOR OTHER SECTIONS OF THE APPLICATION.**

Additional information regarding formatting applications has been included on Pages C-3 and C-4 of the "General Information on Completing an Application" section of this package. Reviewers will be instructed to review the content of Appendix A as they do the application narrative, but will not be required to review any other appendices. **Appendix A is to be used only for charts, tables, figures, graphs, screen shots and logic models that provide information directly relating to the application requirements for the narrative—it should not be used for supplementary information.** Please note that charts, tables, figures, graphs, screen shots, and logic models **can** be single spaced and placed in an Appendix A. **For the application Abstract, applicants should use the template located at: <http://www2.ed.gov/programs/oseptad/applicant.html#84326M>.**

- **PROTECTION OF HUMAN SUBJECTS IN RESEARCH.**

The discretionary grant Application Form SF 424 requires applicants to indicate whether they plan to conduct research involving human subjects at any time during the proposed project period. The Protection of Human Subjects in Research Attachment is an integral part of the SF 424 form. It includes information that applicants need to complete the protection of human subjects item and, as appropriate, to provide additional information to the Department regarding human subjects research projects. Additional information on completing the protection of human subjects item is also available and can be accessed on the INTERNET at:

[www.ed.gov/about/offices/list/ocfo/gcsindex.html](http://www.ed.gov/about/offices/list/ocfo/gcsindex.html)

[www.ed.gov/about/offices/list/ocfo/humansub.html](http://www.ed.gov/about/offices/list/ocfo/humansub.html)

- **RESPONSE TO GPRA.**

As required by the Government Performance and Results Act (GPRA) of 1993 OSEP has developed a strategic plan for measuring GPRA performance. The program included in this announcement is authorized under Part D - National Activities to Improve Education of Children with Disabilities of the Individuals with Disabilities Education Act. Projects funded under this competition are required to submit data on these measures as directed by the Office of Special Education Programs (OSEP). See Performance Measures included in the

Priority Description section of this application package. Applicants are encouraged to consider this information as applications are prepared.

- **COPIES OF THE APPLICATION.**

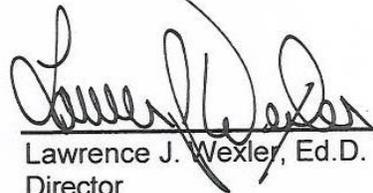

Unless you qualify for an exception in accordance with the instructions found in the Notice inviting applications, you must submit your application electronically. Therefore, you do not need to submit paper copies of the application. If you are granted an exception, current Government-wide policy requires that an original and two paper copies need to be submitted. Please note: If an application is recommended for funding and a grant award is issued, we will contact the applicant to request an electronic copy of the application in MS Word or a PDF file. The Department is moving toward an electronic grant filing system and an electronic copy of all applications that are being funded will facilitate this effort.

A contact person is available to provide information to you regarding this competition. Please refer to the name of the program contact at the end of the priority description. OSEP also provides information on developing performance measures and logic models at <http://www.tadnet.org/pages/589> to assist you in preparing a quality application. For information about other U.S. Department of Education grant and contract opportunities, we encourage you to use the Department's grant information web page which can be accessed on the INTERNET at:

[www.ed.gov/about/offices/list/ocfo/grants/grants.html](http://www.ed.gov/about/offices/list/ocfo/grants/grants.html)

We appreciate your efforts to improve the provision of services for individuals with disabilities.

Sincerely,

---

Lawrence J. Wexley, Ed.D.

Applications Available: **March 7, 2016**.

Deadline for Transmittal of Applications: **April 21, 2016**.

Deadline for Intergovernmental Review: **June 20, 2016**.

**Full Text of Announcement**

## **I. Funding Opportunity Description**

---

### **Purpose of Program:**

---

The purpose of the Technical Assistance and Dissemination to Improve Services and Results for Children with Disabilities program is to promote academic achievement and to improve results for children with disabilities by providing technical assistance (TA), supporting model demonstration projects, disseminating useful information, and implementing activities that are supported by scientifically based research.

### **Priorities:**

---

In accordance with 34 CFR 75.105(b)(2)(v), this priority is developed from allowable activities specified in the Individuals with Disabilities Education Act (IDEA) (see sections 663 and 681(d) of IDEA, 20 U.S.C. 1463 and 1481(d)).

### **Absolute Priority:**

---

This competition has one absolute priority. In accordance with 34 CFR 75.105(b)(2)(v), the absolute priority is from allowable activities specified in the statute or otherwise authorized in the statute (see sections 663 and 681(d) of the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. 1463, 1481(d)).

This priority is:

### **Technical Assistance and Dissemination to Improve Services and Results for Children with Disabilities —Model Demonstration Projects to Improve Literacy Outcomes for English Learners with Disabilities in Grades Three through Five or Three through Six.**

### **Background:**

---

IDEA has authorized model demonstrations to improve early intervention, educational, or transitional results for children<sup>1</sup> with disabilities since the mid-1970s. For the purposes of this priority, a model is a set of existing evidence-based interventions and implementation strategies (i.e., core components) that research suggests will improve child, teacher, or system outcomes when implemented with fidelity. Model demonstrations involve investigating the degree to which a given model can be implemented and sustained in typical settings, by staff employed in those settings, while achieving outcomes similar to those attained under research conditions.

---

<sup>1</sup> For the purpose of this priority, the term “children” includes infants, toddlers, children, and youth.

The purpose of this priority is to fund three cooperative agreements to establish and operate model demonstration projects that will assess how models can: (a) improve literacy outcomes for English Learners<sup>2</sup> with disabilities (ELSWDs) in grades three through five or three through six, within a multi-tier system of supports (MTSS) framework;<sup>3</sup> (b) use culturally responsive principles;<sup>4</sup> and (c) be implemented by educators and sustained in general and special education settings.

The most recent average scale scores<sup>5</sup> in reading for fourth graders on the National Assessment of Educational Progress (NAEP, 2014) by subgroup were: English Learners (ELs), 192; students with disabilities (SWDs), 188; ELSWDs, 151; and students who were not ELs or SWDs, 230. Seven percent of ELs, 10 percent of SWDs, and 2 percent of ELSWDs scored at the proficient level compared to 31 percent of students who were not ELs or SWDs (U.S. Department of Education, 2014). These figures are especially troubling because, according to assessments using criteria that correspond to the NAEP skill levels, children who are not proficient readers by the end of third grade are four times more likely to drop out of school than their peers who are proficient readers (Hernandez, 2012). The disparities in achievement as illustrated by these data underscore the challenges that schools encounter in educating ELSWDs.

Children must possess the ability to read for understanding in order to meet college- and career-ready standards (Foorman & Wanzek, 2015). However, children must first develop basic literacy skills, including phonemic awareness, phonics, fluency, vocabulary, and comprehension, to become proficient readers (National Reading Panel, 2000) and to read for understanding.

---

<sup>2</sup> For purposes of this priority, the term English Learners refers to those students considered to be Limited English Proficient (LEP) students or English Learners, as those terms are defined under the Elementary and Secondary Education Act, as amended (ESEA), and in the State in which the grantee implements its model demonstration projects under this priority.

<sup>3</sup> Multi-tier System of Supports means a comprehensive continuum of evidence-based, systemic practices to support a rapid response to students' needs, with regular observation to facilitate data-based instructional decisionmaking.

<sup>4</sup> Culturally responsive principles promote redesigning the learning environments to support the development and success of all students. Some examples of incorporating culturally responsive principles into learning environments include communicating high expectations to all students, incorporating students' cultural and home experiences into lessons by reshaping the curriculum to reflect students' experiences, and engaging students in activities where they can converse with one another on topics that tap into their background knowledge and experiences (Aceves & Orosco, 2014; Gay, 2010).

<sup>5</sup> The NAEP Reading scale ranges from 0 to 500. Source: U.S. Department of Education, Institute of Education Sciences, National Center for Education Statistics, National Assessment of Educational Progress, 2013 Reading Assessment.

Therefore, models should be designed to build literacy skills for ELSWDs as a stepping stone to reading for understanding. Approaches to improve literacy must include a combination of effective instruction, modeling, professional development, and evidence-based teaching practices that are appropriate for ELSWDs in both classrooms and small group settings (Giroir, Grimaldo, Vaughn, & Roberts, 2015; Klingner & Soltero-Gonzalez, 2009). In addition, research suggests that proposed models should be replicable across multiple contexts (e.g., content area instruction, small group settings, multiple school sites) with a goal of scaling-up for wider use (Domitrovich et al., 2008).

**Priority:**

---

The purpose of this priority is to fund three cooperative agreements to establish and operate model demonstration projects that will assess how models can: (a) improve literacy outcomes for ELSWDs in grades three through five or three through six, within an MTSS framework; (b) use culturally responsive principles; and (c) be implemented by educators and sustained in general and special education settings. Applicants must propose models that meet the following requirements:

(a) The model's core intervention components (e.g., services, assessments, processes, data collection instruments) must include:

(1) A framework that includes, at a minimum, universal screening, progress monitoring, and effective core instruction;<sup>6</sup>

(2) Culturally responsive principles within each component of the framework;

(3) Interventions that meet the needs of the specific population and are supported by scientifically based research;

(4) Practices that are valid and reliable and ensure appropriate identification of ELs as having disabilities;

(5) Measures of literacy outcomes,<sup>7</sup> using standardized measures when applicable, and teacher and systems outcomes, when appropriate;

(6) Measures of language proficiency in the child's first language and English; and

---

<sup>6</sup> School sites that are selected must have an existing MTSS framework that demonstrates strong core instruction.

<sup>7</sup> Applicants must ensure the confidentiality of individual data, consistent with the requirements of section 444 of the General Education Provisions Act (20 U.S.C. 1232g), commonly known as the "Family Educational Rights and Privacy Act" (FERPA), and State laws or regulations concerning the confidentiality of individual records. Final FERPA regulatory changes became effective January 3, 2012, and include requirements for data sharing. Applicants are encouraged to review the final FERPA regulations published on December 2, 2011 (76 FR 75604). Questions can be sent to the Family Policy Compliance Office ([www.ed.gov/fpco](http://www.ed.gov/fpco)) at (202) 260-3887 or [FERPA@ed.gov](mailto:FERPA@ed.gov).

(7) Measures of the model's social validity, i.e., measures of educators', parents', and students' satisfaction with the model components, processes, and outcomes.

(b) The model's core implementation components must include--

(1) Strategies for selecting<sup>8</sup> and recruiting sites, including approaches to introducing the model to and promoting the model among site participants,<sup>9</sup> with consideration given to the following criteria:

(i) Each project must include at least three elementary schools with students in grades three through five or three through six. Each school must have at least 40 percent and no fewer than 100 students who have been identified as ELs in these grades; and

(ii) In each of the schools, at least 10 percent of the identified ELs in grades three through five or three through six must be ELSWDs with literacy goals on their Individualized Education Programs (IEPs);

(2) A lag site implementation, which involves selecting one of the three sites in year one of the project period to begin implementation of the project's model for at least three years, with the other two schools beginning implementation in year two;

(3) A professional development component that includes an evidence-based coaching strategy to enable staff to implement the interventions with fidelity; and

(4) Measures of the performance of the professional development (e.g., improvements in teacher instructional delivery and knowledge) required by paragraph (b)(3) of this section, including measures of the fidelity of implementation.

(c) The core strategies for sustaining the model must include:

(1) Documentation that permits current and future practitioners to replicate and tailor the model at any site;<sup>10</sup> and

(2) Strategies for the grantee to sustain the model, such as developing easily accessible training materials or coordinating with TA providers who might serve as future trainers.

---

<sup>8</sup> For factors to consider when selecting model demonstration sites, the applicant should refer to Assessing Sites for Model Demonstration: Lessons Learned for OSEP Grantees at [http://mdcc.sri.com/documents/reports/MDCC\\_Site\\_Assessment\\_Brief\\_09-30-11.pdf](http://mdcc.sri.com/documents/reports/MDCC_Site_Assessment_Brief_09-30-11.pdf). The document also contains a site assessment tool.

<sup>9</sup> For factors to consider while preparing for model demonstration implementation, the applicant should refer to Preparing for Model Demonstration Implementation at [http://mdcc.sri.com/documents/MDCC\\_PreparationStage\\_Brief\\_Apr2013.pdf](http://mdcc.sri.com/documents/MDCC_PreparationStage_Brief_Apr2013.pdf).

<sup>10</sup> For a guide on documenting model demonstration sustainment and replication, the applicant should refer to Planning for Replication and Dissemination From the Start: Guidelines for Model Demonstration Projects at [http://mdcc.sri.com/documents/MDCC\\_ReplicationBrief\\_SEP2013.pdf](http://mdcc.sri.com/documents/MDCC_ReplicationBrief_SEP2013.pdf).

To be considered for funding under this absolute priority, applicants must meet the application requirements contained in this priority. Each project funded under this absolute priority also must meet the programmatic and administrative requirements specified in the priority.

**Application Requirements.**

An applicant must include in its application--

- (a) A project design that is at least supported by strong theory (as defined in this notice) that supports the promise (e.g., evidence base) of the proposed model, its components, and processes to improve literacy outcomes for ELSWDs;
- (b) A logic model that depicts, at a minimum, the goals, activities, outputs, and outcomes of the proposed model demonstration project. A logic model used in connection with this priority communicates how a project will achieve its outcomes and provides a framework for both the formative and summative evaluations of the project;

Note: The following Web sites provide examples for constructing logic models:

[www.researchutilization.org/matrix/logicmodel\\_resource3c.html](http://www.researchutilization.org/matrix/logicmodel_resource3c.html) and

[www.osepideasthatwork.org/logicModel/index.asp](http://www.osepideasthatwork.org/logicModel/index.asp).

- (c) A description of the activities and measures to be incorporated into the proposed model demonstration project to improve literacy outcomes for ELSWDs, including a timeline of how and when the components are introduced within the model. A detailed and complete description must include the following:

- (1) All the intervention components, including culturally responsive principles and, at a minimum, those components listed under paragraph (a) under the heading Priority, and the supporting literature.
- (2) The existing and proposed child, teacher, and system outcome measures and social validity measures. The measures should be described as completely as possible, referenced as appropriate, and included, when available, in an appendix.
- (3) All the implementation components, including, at a minimum, those listed under paragraph (b) under the heading Priority, and the supporting literature. The existing or proposed implementation fidelity measures, including those measuring the fidelity of the professional development strategy, should be described as completely as possible, referenced as appropriate, and included, when available, in an appendix. In addition, this description should include:
  - (i) Demographics, including, at a minimum, ethnicity, gender, grade level, and age for all ELSWDs at all implementation sites that have been identified and successfully recruited for the

purposes of this application using the selection and recruitment strategies described in paragraph (b)(1) under the heading Priority;

(ii) Whether the implementation sites are high-poverty, high-need, rural, urban, or suburban LEAs or schools; and

Note: Applicants are encouraged to identify, to the extent possible, the sites willing to participate in the applicant's model demonstration. Final site selection will be determined in consultation with the OSEP project officer following the kick-off meeting described in paragraph (f)(1) of these application requirements.

(iii) The lag design for implementation consistent with the requirements in paragraph (b)(2) under the heading Priority.

(4) All the strategies to promote sustaining and replicating the model, including, at a minimum, those listed in paragraph (c) under the heading Priority.

(d) A description of the evaluation activities and measures to be incorporated into the proposed model demonstration project. A detailed and complete description must include:

(1) A formative evaluation plan, consistent with the project's logic model, that includes evaluation questions, source(s) for data, a timeline for data collection, and analysis plans. The plan must show how the outcome (e.g., child measures, social validity) and implementation data (e.g., fidelity) will be used separately or in combination to improve the project during the performance period. The plan also must outline how these data will be reviewed by project staff, when they will be reviewed, and how they will be used during the course of the project to adjust the model or its implementation to increase the model's usefulness, generalizability, and potential for sustainability; and

(2) A summative evaluation plan, including a timeline, to collect and analyze data on positive changes to child, teacher, and systems outcome measures over time or relative to comparison groups that can be reasonably attributable to project activities. The plan must show how the child or system outcome and implementation data collected by the project will be used separately or in combination to demonstrate the promise of the model.

(e) A budget for attendance at the following:

(1) A one and one half-day kick-off meeting to be held in Washington, DC, after receipt of the award;

(2) A three-day Project Directors' Conference in Washington, DC, occurring twice during the project performance period; and

(3) Four travel days spread across years two through four of the project period to attend planning meetings, Department briefings, Department-sponsored conferences, and other meetings, as requested by OSEP, to be held in Washington, DC, with the OSEP project officer.

**Other Project Activities.**

To meet the requirements of this priority, each project, at a minimum, must:

- (a) Communicate and collaborate on an ongoing basis with other relevant Department-funded projects, including, at minimum, OSEP-funded TA centers that might disseminate information on the model or support the scale-up efforts of an effective model;
- (b) Maintain ongoing (i.e., at least monthly) telephone and email communication with the OSEP project officer and the other model demonstration projects funded under this priority; and
- (c) If the project maintains a Web site, include relevant information about the model, the intervention, and the demonstration activities that meets government- or industry-recognized standards for accessibility.

**Competitive Preference Priority:**

---

Within this absolute priority, we give competitive preference to applications that address the following priority. Under 34 CFR 75.105(c)(2)(i), we award an additional two points to an application that meets this priority.

The priority is:

**Evidence of Promise Supporting the Proposed Model (2 Points).**

Projects that are supported by evidence that meets the conditions set out in the definition of “evidence of promise” (as defined in this notice). The proposed project must include:

- (a) A detailed review of the research that meets at least the evidence of promise standard and that supports the promise (e.g., evidence base) of the proposed model, its components, and processes to improve literacy outcomes for ELSWDs;
- (b) A logic model that depicts, at a minimum, the goals, activities, outputs, and outcomes of the proposed model demonstration project. A logic model communicates how a project will achieve its outcomes and provides a framework for both the formative and summative evaluations of the project; and
- (c) A description of the activities and measures to be incorporated into the proposed model demonstration project to improve literacy outcomes for ELSWDs, including how and when the components are introduced within the model. A detailed and complete description must contain all of the implementation components, including, at a minimum, those listed under paragraph (a)

and linked to supporting literature. The existing or proposed implementation fidelity measures, including those measuring the fidelity of the professional development strategy, should be described as completely as possible, referenced as appropriate, and included, when available, in an appendix.

Note: An applicant addressing this competitive preference priority must identify up to two study citations that meet this standard.

## **Definitions:**

---

The following definitions apply to the priority:

Evidence of promise means there is empirical evidence to support the theoretical linkage(s) between at least one critical component and at least one relevant outcome presented in the logic model for the proposed process, product, strategy, or practice. Specifically, evidence of promise means the conditions in both paragraphs (i) and (ii) of this definition are met:

(i) There is at least one study that is a--

(A) Correlational study with statistical controls for selection bias;

(B) Quasi-experimental design study that meets the What Works Clearinghouse Evidence Standards with reservations; or

(C) Randomized controlled trial that meets the What Works Clearinghouse Evidence Standards with or without reservations.

(ii) The study referenced in paragraph (i) of this definition found a statistically significant or substantively important (defined as a difference of 0.25 standard deviations or larger) favorable association between at least one critical component and one relevant outcome presented in the logic model for the proposed process, product, strategy, or practice.

English Learner, when used with respect to an individual, means an individual--

(A) Who is aged 3 through 21;

(B) Who is enrolled or preparing to enroll in an elementary school or secondary school;

(C)(i) Who was not born in the United States or whose native language is a language other than English;

(ii)(I) Who is a Native American or Alaska Native, or a native resident of the outlying areas; and

(II) Who comes from an environment where a language other than English has had a significant impact on the individual's level of English language proficiency; or

(iii) Who is migratory, whose native language is a language other than English, and who comes from an environment where a language other than English is dominant; and

(D) Whose difficulties in speaking, reading, writing, or understanding the English language may be sufficient to deny the individual--

(i) The ability to meet the State's proficient level of achievement on State assessments described in section 1111(b)(3) of the ESEA;

(ii) The ability to successfully achieve in classrooms where the language of instruction is English; or

(iii) The opportunity to participate fully in society.

Logic model (also referred to as theory of action) means a well-specified conceptual framework that identifies key components of the proposed process, product, strategy, or practice (i.e., the active “ingredients” that are hypothesized to be critical to achieving the relevant outcomes) and describes the relationships among the key components and outcomes, theoretically and operationally.

Quasi-experimental design study means a study using a design that attempts to approximate an experimental design by identifying a comparison group that is similar to the treatment group in important respects. These studies, depending on design and implementation, can meet What Works Clearinghouse Evidence Standards with reservations (but not What Works Clearinghouse Evidence Standards without reservations).

Randomized controlled trial means a study that employs random assignment of, for example, students, teachers, classrooms, schools, or districts to receive the intervention being evaluated (the treatment group) or not to receive the intervention (the control group). The estimated effectiveness of the intervention is the difference between the average outcomes for the treatment group and for the control group. These studies, depending on design and implementation, can meet What Works Clearinghouse Evidence Standards without reservations.

Relevant outcome means the student outcome(s) (or the ultimate outcome if not related to students) the proposed process, product, strategy, or practice is designed to improve; consistent with the specific goals of a program.

Strong theory means a rationale for the proposed process, product, strategy, or practice that includes a logic model.

What Works Clearinghouse Evidence Standards means the standards set forth in the What Works Clearinghouse Procedures and Standards Handbook (Version 3.0, March 2014), which can be found at the following link: <http://ies.ed.gov/ncee/wwc/DocumentSum.aspx?sid=19>.

**Waiver of Proposed Rulemaking:**

---

Under the Administrative Procedure Act (APA) (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed priorities and requirements. Section 681(d) of IDEA, however, makes the public comment requirements of the APA inapplicable to the priorities in this notice.

**Program Authority:**

---

20 U.S.C. 1463 and 1481.

**Applicable Regulations:**

---

(a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 81, 82, 84, 86, 97, 98, and 99. (b) The Office of Management and Budget Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.

**Note:** The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

**Note:** The regulations in 34 CFR part 86 apply to institutions of higher education (IHEs) only.

## II. Award Information

---

**Type of Award:**

---

Cooperative agreement.

**Estimated Available Funds:**

---

\$1,200,000. Contingent upon the availability of funds and the quality of applications, we may make additional awards in FY 2016 from the list of unfunded applicants from this competition.

**Estimated Range of Awards:**

---

\$375,000 - \$400,000.

**Estimated Average Size of Awards:**

---

\$400,000.

**Maximum Award:**

---

We will reject any application that proposes a budget exceeding \$400,000 for a single budget period of 12 months.

**Estimated Number of Awards:**

---

3.

**Note:** The Department is not bound by any estimates in this notice.

**Project Period:**

---

Up to 48 months.

### **III. Eligibility Information**

---

#### **1. Eligible Applicants:**

---

State educational agencies (SEAs); LEAs, including public charter schools that are considered LEAs under State law; IHEs; other public agencies; private nonprofit organizations; outlying areas; freely associated States; Indian tribes or tribal organizations; and for-profit organizations.

#### **2. Cost Sharing or Matching:**

---

This program does not require cost sharing or matching.

#### **3. Eligible Subgrantees:**

---

(a) Under 75.708(b) and (c) a grantee may award subgrants--to directly carry out project activities described in its application--to the following types of entities: SEAs; LEAs, including public charter schools that are considered LEAs under State law; IHEs; other public agencies; private nonprofit organizations; outlying areas; freely associated States; Indian tribes or tribal organizations; and for-profit organizations.

(b) The grantee may award subgrants to entities it has identified in an approved application.

#### **4. Other: General Requirements—**

---

(a) The projects funded under this program must make positive efforts to employ and advance in employment qualified individuals with disabilities (see section 606 of IDEA).

(b) Each applicant and grant recipient funded under this program must involve individuals with disabilities or parents of individuals with disabilities ages birth through 26 in planning, implementing, and evaluating the project (see section 682(a)(1)(A) of IDEA).

## **IV. Application and Submission Information**

---

### **1. Address to Request Application Package:**

---

You can obtain an application package via the Internet, from the Education Publications Center (ED Pubs), or from the program office.

To obtain a copy via the Internet, use the following address:

[www.ed.gov/fund/grant/apply/grantapps/index.html](http://www.ed.gov/fund/grant/apply/grantapps/index.html).

To obtain a copy from ED Pubs, write, fax, or call the following:

ED Pubs  
U.S. Department of Education  
P.O. Box 22207  
Alexandria, VA 22304

Telephone, toll free: 1-877-433-7827. FAX: (703) 605-6794.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call, toll free: 1-877-576-7734.

You can contact ED Pubs at its Web site, also: [www.EDPubs.gov](http://www.EDPubs.gov) or at its email address: [edpubs@inet.ed.gov](mailto:edpubs@inet.ed.gov).

If you request an application from ED Pubs, be sure to identify this competition as follows: CFDA number 84.326M.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) by contacting the person or team listed under Accessible Format in section VIII of this notice.

### **2. Content and Form of Application Submission:**

---

Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this competition.

#### **Page Limit:**

The application narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit Part III to the equivalent of no more than 50 pages, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.

- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.
- Use a font that is 12 point or larger or no smaller than 10 pitch (characters per inch).
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman or Arial Narrow) will not be accepted.

The page limit and double-spacing requirement do not apply to Part I, the cover sheet; Part II, the budget section, including the narrative budget justification; Part IV, the assurances and certifications; or the abstract (follow the guidance provided in the application package for completing the abstract), the table of contents, the list of priority requirements, the resumes, the reference list, the letters of support, or the appendices. However, the page limit and double-spacing requirements do apply to all of Part III, the application narrative, including all text in charts, tables, figures, graphs, and screen shots.

**We will reject your application if you exceed the page limit in the application narrative section; or if you apply standards other than those specified in this notice and the application package.**

### **3. Submission Dates and Times:**

---

**Applications Available:** March 7, 2016.

**Deadline for Transmittal of Applications:** April 21, 2016.

Applications for grants under this competition must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7. Other Submission Requirements of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under For Further Information Contact in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an

individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

**Deadline for Intergovernmental Review:** June 20, 2016.

#### **4. Intergovernmental Review:**

---

This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this competition.

#### **5. Funding Restrictions:**

---

We reference regulations outlining funding restrictions in the Applicable Regulations section of this notice.

#### **6. Data Universal Numbering System Number, Taxpayer Identification Number, Central Contractor Registry, and System for Award Management:**

---

To do business with the Department of Education, you must—

- a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);
- b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry (CCR)), the Government's primary registrant database;
- c. Provide your DUNS number and TIN on your application; and
- d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet at the following Web site:

<http://fedgov.dnb.com/webform>. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

Note: Once your SAM registration is active, it may be 24 to 48 hours before you can access the information in, and submit an application through, Grants.gov.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days. Information about SAM is available at [www.SAM.gov](http://www.SAM.gov). To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: [www2.ed.gov/fund/grant/apply/sam-faqs.html](http://www2.ed.gov/fund/grant/apply/sam-faqs.html).

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: [www.grants.gov/web/grants/register.html](http://www.grants.gov/web/grants/register.html).

Currently, SAM relies on the identifier provided by Dun and Bradstreet (DUNS number) for the UEI. You can create a DUNS number within one business day.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2-5 weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data entered into the SAM database by an entity. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

**Note:** Once your SAM registration is active, you will need to allow 24 to 48 hours for the information to be available in Grants.gov. and before you can submit an application through Grants.gov.

If you are currently registered with the SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at:

<http://www2.ed.gov/fund/grant/apply/sam-faqs.html>.

In addition, if you are submitting your application via Grants.gov, you must

- (1) be designated by your organization as an Authorized Organization Representative (AOR);  
and
- (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: [www.grants.gov/web/grants/register.html](http://www.grants.gov/web/grants/register.html).

## **7. Other Submission Requirements:**

---

Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

### **a. Electronic Submission of Applications.**

Applications for grants under the Model Demonstration Projects to Improve Literacy Outcomes for English Learners with Disabilities in Grades Three through Five or Three through Six competition, CFDA number 84.326M, must be submitted electronically using the Government-wide Grants.gov Apply site at [www.Grants.gov](http://www.Grants.gov). Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding

calculation of the date that is two weeks before the application deadline date is provided later in this section under **Exception to Electronic Submission Requirement**.

You may access the electronic grant application for the Model Demonstration Projects to Improve Literacy Outcomes for English Learners with Disabilities in Grades Three through Five or Three through Six, CFDA number 84.326M, at [www.Grants.gov](http://www.Grants.gov). You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.326, not 84.326M).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.
- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.
- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at [www.G5.gov](http://www.G5.gov).
- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission

requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.
- You must upload any narrative sections and all other attachments to your application as files in a read-only, non-modifiable Portable Document Format (PDF). Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF (e.g., Word, Excel, WordPerfect, etc.) or submit a password-protected file, we will not review that material. Please note that this could result in your application not being considered for funding because the material in question--for example, the project narrative--is critical to a meaningful review of your proposal. For that reason it is important to allow yourself adequate time to upload all material as PDF files. The Department will not convert material from other formats to PDF.
- Your electronic application must comply with any page-limit requirements described in this notice.
- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. This notification indicates receipt by Grants.gov only, not receipt by the Department. Grants.gov will also notify you automatically by email if your application met all the Grants.gov validation requirements or if there were any errors (such as submission of your application by someone other than a registered Authorized Organization Representative, or inclusion of an attachment with a file name that contains special characters). You will be given an opportunity to correct any errors and resubmit, but you must still meet the deadline for submission of applications.
- We may request that you provide us original signatures on forms at a later date.

**Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System:**

If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, D.C. time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, D.C. time, on the application deadline date, please contact the person listed under For Further Information Contact in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, D.C. time, on the application deadline date. We will contact you after a determination is made on whether your application will be accepted.

**Note:** The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

**Exception to Electronic Submission Requirement:**

You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to:

Tara Courchaine, Ed.D.  
U.S. Department of Education  
400 Maryland Avenue, SW.  
Room 5143, Potomac Center Plaza (PCP)  
Washington, DC 20202–2600  
  
FAX: (202) 245-7590.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

**b. Submission of Paper Applications by Mail.**

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education  
Application Control Center  
Attention: (CFDA Number 84.326M)  
LBJ Basement Level 1  
400 Maryland Avenue, SW.  
Washington, DC 20202-4260

You must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.
- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

**Note:** The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

**c. Submission of Paper Applications by Hand Delivery.**

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education  
Application Control Center  
Attention: (CFDA Number 84.326M)  
550 12th Street, SW.  
Room 7039, Potomac Center Plaza  
Washington, DC 20202-4260

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, D.C. time, except Saturdays, Sundays, and Federal holidays.

**Note for Mail or Hand Delivery of Paper Applications:**

If you mail or hand deliver your application to the Department—

- (1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and
- (2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

## **V. Application Review Information**

---

### **1. Selection Criteria:**

---

The selection criteria for this program are from 34 CFR 75.210 and are listed in the application package.

### **2. Review and Selection Process:**

---

We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

### **3. Additional Review and Selection Process Factors:**

---

In the past, the Department has had difficulty finding peer reviewers for certain competitions because so many individuals who are eligible to serve as peer reviewers have conflicts of interest. The Standing Panel requirements under section 682(b) of IDEA also have placed additional constraints on the availability of reviewers. Therefore, the Department has determined that for some discretionary grant competitions, applications may be separated into two or more groups and ranked and selected for funding within specific groups. This procedure will make it easier for the Department to find peer reviewers by ensuring that greater numbers of individuals who are eligible to serve as reviewers for any particular group of applicants will not have conflicts of interest. It also will increase the quality, independence, and fairness of the review process, while permitting panel members to review applications under discretionary grant competitions for which they also have submitted applications. However, if the Department decides to select an equal number of applications in each group for funding, this may result in different cut-off points for fundable applications in each group.

#### **4. Risk Assessment and Special Conditions:**

---

Consistent with 2 CFR 200.205, before awarding grants under this competition the Department conducts a review of the risks posed by applicants. Under 2 CFR 3474.10, the Secretary may impose special conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

## **VI. Award Administration Information**

---

### **1. Award Notices:**

---

If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

### **2. Administrative and National Policy Requirements:**

---

We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

### **3. Reporting:**

---

(a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to [www.ed.gov/fund/grant/apply/appforms/appforms.html](http://www.ed.gov/fund/grant/apply/appforms/appforms.html).

(c) Under 34 CFR 75.250(b), the Secretary may provide a grantee with additional funding for data collection analysis and reporting. In this case the Secretary establishes a data collection period.

#### **4. Performance Measures:**

---

Under the Government Performance and Results Act of 1993 (GPRA), the Department has established a set of performance measures, including long-term measures, that are designed to yield information on various aspects of the effectiveness and quality of the Technical Assistance and Dissemination to Improve Services and Results for Children with Disabilities program. We will use these measures to evaluate the extent to which projects provide high-quality products and services, the relevance of project products and services to educational and early intervention policy and practice, and the use of products and services to improve educational and early intervention policy and practice.

Projects funded under this competition are required to submit data on these measures as directed by OSEP

Grantees will be required to report information on their project's performance in annual and final performance reports to the Department (34 CFR 75.590).

#### **5. Continuation Awards:**

---

In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

### U.S. Department of Education Grants.gov Submission Procedures and Tips for Applicants

To facilitate your use of Grants.gov, this document includes important submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education.

#### ATTENTION – Browser Support

Grants.gov is a Custom Java Application that uses standard web-browsers as the client. Grants.gov leverages the latest web technologies such as Ajax which relies extensively on JavaScript, HTML, and CSS. Grants.gov recommends you use the most up-to-date web browser possible for the best User Experience. **We strongly recommend ED Staff use Firefox or Chrome; we currently do not have the latest version of Microsoft IE here at Education.** If you are unsure about which version of the browser you are using, please check the following places:

- **Microsoft IE** – the *About Internet Explorer* setting under Help on your toolbar
- **Firefox** – the *About Firefox* setting under Help on your toolbar
- **Chrome**- the *About Google Chrome* setting under the *Customize and Control Google Chrome* option (located on the far right ☰) in your toolbar options for your browsers.

The table below lists supported Web Browsers:

Web Browser	Support	Comments
Microsoft IE 9/10/11	Supported	
Mozilla Firefox	Supported	Versions change frequently; we recommend you have the latest version. Legacy versions are functional but may experience some issues. It is recommended to upgrade to the latest version.
Google Chrome	Supported	Versions change frequently; we recommend you have the latest version. Legacy versions are functional but may experience some issues. It is recommended to upgrade to the latest version.
Apple Safari	Supported	Versions change frequently; we recommend you have the latest version. Legacy versions are functional but may experience some issues. It is recommended to upgrade to the latest version.

For additional information of updates, please see the Grants.gov Browser Support Page.

## **ATTENTION – Adobe Forms and PDF Files Required**

Applications submitted to Grants.gov for the Department of Education will be posted using Adobe forms. Therefore, applicants will need to download the latest version of Adobe reader (at least Adobe Reader 10.1.14). (Please note that in early 2013, Grants.gov discovered an issue with the newest version of Adobe Reader XI but it was subsequently resolved.) Information on computer and operating system compatibility with Adobe and links to download the latest version is available on Grants.gov at this link: [compatibility table](#). We strongly recommend that you review these details on [www.Grants.gov](#) before completing and submitting your application. In addition, applicants should submit their application a day or two in advance of the closing date as detailed below. Also, applicants are required to upload their attachments in .pdf format only. (See details below under “Attaching Files – Additional Tips.”) If you have any questions regarding this matter please email the Grants.gov Contact Center at [support@grants.gov](mailto:support@grants.gov) or call 1-800-518-4726.

- 1. REGISTER EARLY** – Grants.gov registration involves many steps including registration on SAM ([www.sam.gov](#)) which may take approximately one week to complete, but could take upwards of several weeks to complete, depending upon the completeness and accuracy of the data entered into the SAM database by an applicant. You may begin working on your application while completing the registration process, but you cannot submit an application until all of the Registration steps are complete. Please note that once your SAM registration is active, it will take 24-48 hours for the information to be available in Grants.gov, and before you can submit an application through Grants.gov. For detailed information on the Registration Steps, please go to: <http://www.grants.gov/web/grants/register.html> [Note: Your organization will need to update its SAM registration annually (formerly Central Contractor Registry (CCR).)]

Primary information about SAM is available at [www.sam.gov](#). However, to further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account the Department of Education has prepared a SAM.gov Tip Sheet which you can find at: <http://www2.ed.gov/fund/grant/apply/sam-faqs.html>

- 2. SUBMIT EARLY** – **We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and then process it after it is fully uploaded.** The time it takes to upload an application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application (see step three below), you will need to resubmit successfully to Grants.gov before 4:30:00 p.m. Washington, DC time on the deadline date.

**Note: To submit successfully, you must provide the DUNS number on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov. This DUNS number is typically the same number used when your organization registered with the SAM (formerly CCR - Central Contractor Registry). If you do not enter the same DUNS number on your application as the DUNS you registered with, Grants.gov will reject your application.**

- 3. VERIFY SUBMISSION IS OK** – You will want to verify that Grants.gov received your application submission on time and that it was validated successfully. To see the date/time your application was received, login to Grants.gov and click on the Track My Application link. For a successful submission, the date/time received should be earlier than 4:30:00 p.m. Washington, DC time, on the deadline date, AND the application status should be: Validated, Received by Agency, or Agency Tracking Number Assigned. Once the Department of Education receives your application from Grants.gov, an Agency Tracking Number (PR/award number) will be assigned to your application and will be available for viewing on Grants.gov’s Track My Application link.

If the date/time received is later than 4:30:00 p.m. Washington, D.C. time, on the deadline date, your application is late. If your application has a status of “Received” it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to “Validated” or “Rejected with Errors.” If the status is “Rejected with Errors,” your application has not been received successfully. Some of the reasons Grants.gov may reject an application can be found on the Grants.gov site: <http://www.grants.gov/web/grants/applicants/grant-application-process/application-statuses.html>. For more detailed information on troubleshooting Adobe errors, you can review the Adobe Reader Error Messages document at <http://www.grants.gov/web/grants/support/technical-support/troubleshooting/encountering-error-messages.html>. If you discover your application is late or has been rejected, please see the instructions below. Note: You will receive a series of confirmations both online and via e-mail about the status of your application. Please do not rely solely on e-mail to confirm whether your application has been received timely and validated successfully.

#### **SUBMISSION PROBLEMS – WHAT SHOULD YOU DO?**

If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support at 1-800-518-4726 or <http://www.grants.gov/web/grants/about/contact-us.html>, or access the Grants.gov Self-Service web portal at: <https://grants-portal.psc.gov/Welcome.aspx?pt=Grants>

If electronic submission is optional and you have problems that you are unable to resolve before the deadline date and time for electronic applications, please follow the transmittal instructions for hard copy applications in the Federal Register notice and get a hard copy application postmarked by midnight on the deadline date.

If electronic submission is required, you must submit an electronic application before 4:30:00 p.m., unless you follow the procedures in the Federal Register notice and qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. (See the Federal Register notice for detailed instructions.)

#### **HELPFUL HINTS WHEN WORKING WITH GRANTS.GOV**

Please note, once you download an application from Grants.gov, you will be working offline and saving data on your computer. Please be sure to note where you are saving the Grants.gov file on your computer. You will need to logon to Grants.gov to upload and submit the application.

**You must provide the DUNS number on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov.**

Please go to <http://www.grants.gov/web/grants/about/contact-us.html> for help with Grants.gov. For additional tips related to submitting grant applications, please refer to the Grants.gov Submit Application FAQs found on the Grants.gov <http://www.grants.gov/web/grants/support/general-support/faqs.html>.

## DIAL-UP INTERNET CONNECTIONS

When using a dial up connection to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g. cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. **If you do not have access to a high-speed connection and electronic submission is required, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date.** (See the Federal Register notice for detailed instructions.)

## MAC USERS

For MAC compatibility information, review the Operating System Platform Compatibility Table at the following Grants.gov link: <http://www.grants.gov/web/grants/support/technical-support/recommended-software.html>. **If electronic submission is required and you are concerned about your ability to submit electronically as a non-windows user, please follow instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than two weeks before the application deadline date.** (See the Federal Register notice for detailed instructions.)

## Attaching Files – Additional Tips

Please note the following tips related to attaching files to your application, especially the requirement that applicants **only include read-only, non-modifiable .PDF files** in their application:

1. Ensure that you attach **.PDF files only** for any attachments to your application, and they must be in a **read-only, non-modifiable format**. PDF files are the only Education approved file type accepted as detailed in the Federal Register application notice. Applicants must submit individual .PDF files only when attaching files to their application. Specifically, the Department will not accept any attachments that contain files within a file, such as PDF Portfolio files, or an interactive or fillable .PDF file. Any attachments uploaded that are not .PDF files or are password protected files will not be read.
2. Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission. Therefore, each file uploaded to your application package should have a unique file name.
3. When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded files must be less than 50 characters, contain no spaces, no special characters (example: -, &, \*, %, /, #, \) including periods (.), blank spaces and accent marks. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.
4. Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. For reference, the average discretionary grant application package totals 1 to 2 MB. Therefore, you may want to check the total size of your package before submission.

# **PRIORITY DESCRIPTION AND SELECTION CRITERIA**

# MODEL DEMONSTRATION PROJECTS TO IMPROVE LITERACY OUTCOMES FOR ENGLISH LEARNERS WITH DISABILITIES IN GRADES THREE THROUGH FIVE OR THREE THROUGH SIX (CFDA 84.326M)

---

**DEADLINE: 04/21/16**

**ABSOLUTE PRIORITY:**

**Background:**

IDEA has authorized model demonstrations to improve early intervention, educational, or transitional results for children<sup>1</sup> with disabilities since the mid-1970s. For the purposes of this priority, a model is a set of existing evidence-based interventions and implementation strategies (i.e., core components) that research suggests will improve child, teacher, or system outcomes when implemented with fidelity. Model demonstrations involve investigating the degree to which a given model can be implemented and sustained in typical settings, by staff employed in those settings, while achieving outcomes similar to those attained under research conditions.

The purpose of this priority is to fund three cooperative agreements to establish and operate model demonstration projects that will assess how models can: (a) improve literacy outcomes for English Learners<sup>2</sup> with disabilities (ELSWDs) in grades three through five or three through six, within a multi-tier system of supports (MTSS) framework;<sup>3</sup> (b) use culturally responsive principles;<sup>4</sup> and (c) be implemented by educators and sustained in general and special education settings.

---

<sup>1</sup> For the purpose of this priority, the term “children” includes infants, toddlers, children, and youth.

<sup>2</sup> For purposes of this priority, the term English Learners refers to those students considered to be Limited English Proficient (LEP) students or English Learners, as those terms are defined under the Elementary and Secondary Education Act, as amended (ESEA), and in the State in which the grantee implements its model demonstration projects under this priority.

<sup>3</sup> Multi-tier System of Supports means a comprehensive continuum of evidence-based, systemic practices to support a rapid response to students’ needs, with regular observation to facilitate data-based instructional decisionmaking.

<sup>4</sup> Culturally responsive principles promote redesigning the learning environments to support the development and success of all students. Some examples of incorporating culturally responsive principles into learning environments include communicating high expectations to all students, incorporating students’ cultural and home experiences into lessons by reshaping the curriculum to reflect students’ experiences, and engaging students in activities where they can converse with one another on topics that tap into their background knowledge and experiences (Aceves & Orosco, 2014; Gay, 2010).

The most recent average scale scores<sup>5</sup> in reading for fourth graders on the National Assessment of Educational Progress (NAEP, 2014) by subgroup were: English Learners (ELs), 192; students with disabilities (SWDs), 188; ELSWDs, 151; and students who were not ELs or SWDs, 230. Seven percent of ELs, 10 percent of SWDs, and 2 percent of ELSWDs scored at the proficient level compared to 31 percent of students who were not ELs or SWDs (U.S. Department of Education, 2014). These figures are especially troubling because, according to assessments using criteria that correspond to the NAEP skill levels, children who are not proficient readers by the end of third grade are four times more likely to drop out of school than their peers who are proficient readers (Hernandez, 2012). The disparities in achievement as illustrated by these data underscore the challenges that schools encounter in educating ELSWDs.

Children must possess the ability to read for understanding in order to meet college- and career-ready standards (Foorman & Wanzek, 2015). However, children must first develop basic literacy skills, including phonemic awareness, phonics, fluency, vocabulary, and comprehension, to become proficient readers (National Reading Panel, 2000) and to read for understanding.

Therefore, models should be designed to build literacy skills for ELSWDs as a stepping stone to reading for understanding. Approaches to improve literacy must include a combination of effective instruction, modeling, professional development, and evidence-based teaching practices that are appropriate for ELSWDs in both classrooms and small group settings (Giroir, Grimaldo, Vaughn, & Roberts, 2015; Klingner & Soltero-Gonzalez, 2009). In addition, research suggests that proposed models should be replicable across multiple contexts (e.g., content area instruction, small group settings, multiple school sites) with a goal of scaling-up for wider use (Domitrovich et al., 2008).

**Priority:**

---

The purpose of this priority is to fund three cooperative agreements to establish and operate model demonstration projects that will assess how models can: (a) improve literacy outcomes for ELSWDs in grades three through five or three through six, within an MTSS framework; (b) use culturally responsive principles; and (c) be implemented by educators and sustained in general and special education settings. Applicants must propose models that meet the following requirements:

---

<sup>5</sup> The NAEP Reading scale ranges from 0 to 500. Source: U.S. Department of Education, Institute of Education Sciences, National Center for Education Statistics, National Assessment of Educational Progress, 2013 Reading Assessment.

(a) The model's core intervention components (e.g., services, assessments, processes, data collection instruments) must include:

- (1) A framework that includes, at a minimum, universal screening, progress monitoring, and effective core instruction;<sup>6</sup>
- (2) Culturally responsive principles within each component of the framework;
- (3) Interventions that meet the needs of the specific population and are supported by scientifically based research;
- (4) Practices that are valid and reliable and ensure appropriate identification of ELs as having disabilities;
- (5) Measures of literacy outcomes,<sup>7</sup> using standardized measures when applicable, and teacher and systems outcomes, when appropriate;
- (6) Measures of language proficiency in the child's first language and English; and

(7) Measures of the model's social validity, i.e., measures of educators', parents', and students' satisfaction with the model components, processes, and outcomes.

(b) The models core implementation components must include--

(1) Strategies for selecting<sup>8</sup> and recruiting sites, including approaches to introducing the model to and promoting the model among site participants,<sup>9</sup> with consideration given to the following criteria:

(i) Each project must include at least three elementary schools with students in grades three through five or three through six. Each school must have at least 40 percent and no fewer than 100 students who have been identified as ELs in these grades; and

---

<sup>6</sup> School sites that are selected must have an existing MTSS framework that demonstrates strong core instruction.

<sup>7</sup> Applicants must ensure the confidentiality of individual data, consistent with the requirements of section 444 of the General Education Provisions Act (20 U.S.C. 1232g), commonly known as the "Family Educational Rights and Privacy Act" (FERPA), and State laws or regulations concerning the confidentiality of individual records. Final FERPA regulatory changes became effective January 3, 2012, and include requirements for data sharing. Applicants are encouraged to review the final FERPA regulations published on December 2, 2011 (76 FR 75604). Questions can be sent to the Family Policy Compliance Office (www.ed.gov/fpco) at (202) 260-3887 or FERPA@ed.gov.

<sup>8</sup> For factors to consider when selecting model demonstration sites, the applicant should refer to Assessing Sites for Model Demonstration: Lessons Learned for OSEP Grantees at [http://mdcc.sri.com/documents/reports/MDCC\\_Site\\_Assessment\\_Brief\\_09-30-11.pdf](http://mdcc.sri.com/documents/reports/MDCC_Site_Assessment_Brief_09-30-11.pdf). The document also contains a site assessment tool.

<sup>9</sup> For factors to consider while preparing for model demonstration implementation, the applicant should refer to Preparing for Model Demonstration Implementation at [http://mdcc.sri.com/documents/MDCC\\_PreparationStage\\_Brief\\_Apr2013.pdf](http://mdcc.sri.com/documents/MDCC_PreparationStage_Brief_Apr2013.pdf).

- (ii) In each of the schools, at least 10 percent of the identified ELs in grades three through five or three through six must be ELSWDs with literacy goals on their Individualized Education Programs (IEPs);
  - (2) A lag site implementation, which involves selecting one of the three sites in year one of the project period to begin implementation of the project's model for at least three years, with the other two schools beginning implementation in year two;
  - (3) A professional development component that includes an evidence-based coaching strategy to enable staff to implement the interventions with fidelity; and
  - (4) Measures of the performance of the professional development (e.g., improvements in teacher instructional delivery and knowledge) required by paragraph (b)(3) of this section, including measures of the fidelity of implementation.
- (c) The core strategies for sustaining the model must include:
- (1) Documentation that permits current and future practitioners to replicate and tailor the model at any site;<sup>10</sup> and
  - (2) Strategies for the grantee to sustain the model, such as developing easily accessible training materials or coordinating with TA providers who might serve as future trainers.

To be considered for funding under this absolute priority, applicants must meet the application requirements contained in this priority. Each project funded under this absolute priority also must meet the programmatic and administrative requirements specified in the priority.

### **Application Requirements.**

An applicant must include in its application--

- (a) A project design that is at least supported by strong theory (as defined in this notice) that supports the promise (e.g., evidence base) of the proposed model, its components, and processes to improve literacy outcomes for ELSWDs;
- (b) A logic model that depicts, at a minimum, the goals, activities, outputs, and outcomes of the proposed model demonstration project. A logic model used in connection with this priority communicates how a project will achieve its outcomes and provides a framework for both the formative and summative evaluations of the project;

Note: The following Web sites provide examples for constructing logic models:

[www.researchutilization.org/matrix/logicmodel\\_resource3c.html](http://www.researchutilization.org/matrix/logicmodel_resource3c.html) and  
[www.osepideasthatwork.org/logicModel/index.asp](http://www.osepideasthatwork.org/logicModel/index.asp).

---

<sup>10</sup> For a guide on documenting model demonstration sustainment and replication, the applicant should refer to Planning for Replication and Dissemination From the Start: Guidelines for Model Demonstration Projects at [http://mdcc.sri.com/documents/MDCC\\_ReplicationBrief\\_SEP2013.pdf](http://mdcc.sri.com/documents/MDCC_ReplicationBrief_SEP2013.pdf).

(c) A description of the activities and measures to be incorporated into the proposed model demonstration project to improve literacy outcomes for ELSWDs, including a timeline of how and when the components are introduced within the model. A detailed and complete description must include the following:

(1) All the intervention components, including culturally responsive principles and, at a minimum, those components listed under paragraph (a) under the heading Priority, and the supporting literature.

(2) The existing and proposed child, teacher, and system outcome measures and social validity measures. The measures should be described as completely as possible, referenced as appropriate, and included, when available, in an appendix.

(3) All the implementation components, including, at a minimum, those listed under paragraph (b) under the heading Priority, and the supporting literature. The existing or proposed implementation fidelity measures, including those measuring the fidelity of the professional development strategy, should be described as completely as possible, referenced as appropriate, and included, when available, in an appendix. In addition, this description should include:

(i) Demographics, including, at a minimum, ethnicity, gender, grade level, and age for all ELSWDs at all implementation sites that have been identified and successfully recruited for the purposes of this application using the selection and recruitment strategies described in paragraph (b)(1) under the heading Priority;

(ii) Whether the implementation sites are high-poverty, high-need, rural, urban, or suburban LEAs or schools; and

Note: Applicants are encouraged to identify, to the extent possible, the sites willing to participate in the applicant's model demonstration. Final site selection will be determined in consultation with the OSEP project officer following the kick-off meeting described in paragraph (f)(1) of these application requirements.

(iii) The lag design for implementation consistent with the requirements in paragraph (b)(2) under the heading Priority.

(4) All the strategies to promote sustaining and replicating the model, including, at a minimum, those listed in paragraph (c) under the heading Priority.

(d) A description of the evaluation activities and measures to be incorporated into the proposed model demonstration project. A detailed and complete description must include:

(1) A formative evaluation plan, consistent with the project's logic model, that includes evaluation questions, source(s) for data, a timeline for data collection, and analysis plans. The

plan must show how the outcome (e.g., child measures, social validity) and implementation data (e.g., fidelity) will be used separately or in combination to improve the project during the performance period. The plan also must outline how these data will be reviewed by project staff, when they will be reviewed, and how they will be used during the course of the project to adjust the model or its implementation to increase the model's usefulness, generalizability, and potential for sustainability; and

(2) A summative evaluation plan, including a timeline, to collect and analyze data on positive changes to child, teacher, and systems outcome measures over time or relative to comparison groups that can be reasonably attributable to project activities. The plan must show how the child or system outcome and implementation data collected by the project will be used separately or in combination to demonstrate the promise of the model.

(e) A budget for attendance at the following:

(1) A one and one half-day kick-off meeting to be held in Washington, DC, after receipt of the award;

(2) A three-day Project Directors' Conference in Washington, DC, occurring twice during the project performance period; and

(3) Four travel days spread across years two through four of the project period to attend planning meetings, Department briefings, Department-sponsored conferences, and other meetings, as requested by OSEP, to be held in Washington, DC, with the OSEP project officer.

### **Other Project Activities.**

To meet the requirements of this priority, each project, at a minimum, must:

(a) Communicate and collaborate on an ongoing basis with other relevant Department-funded projects, including, at minimum, OSEP-funded TA centers that might disseminate information on the model or support the scale-up efforts of an effective model;

(b) Maintain ongoing (i.e., at least monthly) telephone and email communication with the OSEP project officer and the other model demonstration projects funded under this priority; and

(c) If the project maintains a Web site, include relevant information about the model, the intervention, and the demonstration activities that meets government- or industry-recognized standards for accessibility.

### **Competitive Preference Priority:**

---

Within this absolute priority, we give competitive preference to applications that address the following priority. Under 34 CFR 75.105(c)(2)(i), we award an additional two points to an application that meets this priority.

The priority is:

**Evidence of Promise Supporting the Proposed Model (2 Points).**

Projects that are supported by evidence that meets the conditions set out in the definition of “evidence of promise” (as defined in this notice). The proposed project must include:

- (a) A detailed review of the research that meets at least the evidence of promise standard and that supports the promise (e.g., evidence base) of the proposed model, its components, and processes to improve literacy outcomes for ELSWDs;
- (b) A logic model that depicts, at a minimum, the goals, activities, outputs, and outcomes of the proposed model demonstration project. A logic model communicates how a project will achieve its outcomes and provides a framework for both the formative and summative evaluations of the project; and
- (c) A description of the activities and measures to be incorporated into the proposed model demonstration project to improve literacy outcomes for ELSWDs, including how and when the components are introduced within the model. A detailed and complete description must contain all of the implementation components, including, at a minimum, those listed under paragraph (a) and linked to supporting literature. The existing or proposed implementation fidelity measures, including those measuring the fidelity of the professional development strategy, should be described as completely as possible, referenced as appropriate, and included, when available, in an appendix.

Note: An applicant addressing this competitive preference priority must identify up to two study citations that meet this standard.

### **Definitions:**

---

The following definitions apply to the priority:

Evidence of promise means there is empirical evidence to support the theoretical linkage(s) between at least one critical component and at least one relevant outcome presented in the logic model for the proposed process, product, strategy, or practice. Specifically, evidence of promise means the conditions in both paragraphs (i) and (ii) of this definition are met:

(i) There is at least one study that is a--

(A) Correlational study with statistical controls for selection bias;

- (B) Quasi-experimental design study that meets the What Works Clearinghouse Evidence Standards with reservations; or
- (C) Randomized controlled trial that meets the What Works Clearinghouse Evidence Standards with or without reservations.
- (ii) The study referenced in paragraph (i) of this definition found a statistically significant or substantively important (defined as a difference of 0.25 standard deviations or larger) favorable association between at least one critical component and one relevant outcome presented in the logic model for the proposed process, product, strategy, or practice.

English Learner, when used with respect to an individual, means an individual--

- (A) Who is aged 3 through 21;
- (B) Who is enrolled or preparing to enroll in an elementary school or secondary school;
- (C)(i) Who was not born in the United States or whose native language is a language other than English;
- (ii)(I) Who is a Native American or Alaska Native, or a native resident of the outlying areas; and
- (II) Who comes from an environment where a language other than English has had a significant impact on the individual's level of English language proficiency; or
- (iii) Who is migratory, whose native language is a language other than English, and who comes from an environment where a language other than English is dominant; and
- (D) Whose difficulties in speaking, reading, writing, or understanding the English language may be sufficient to deny the individual--
  - (i) The ability to meet the State's proficient level of achievement on State assessments described in section 1111(b)(3) of the ESEA;
  - (ii) The ability to successfully achieve in classrooms where the language of instruction is English; or
  - (iii) The opportunity to participate fully in society.

Logic model (also referred to as theory of action) means a well-specified conceptual framework that identifies key components of the proposed process, product, strategy, or practice (i.e., the active “ingredients” that are hypothesized to be critical to achieving the relevant outcomes) and describes the relationships among the key components and outcomes, theoretically and operationally.

Quasi-experimental design study means a study using a design that attempts to approximate an experimental design by identifying a comparison group that is similar to the treatment group in important respects. These studies, depending on design and implementation, can meet What

Works Clearinghouse Evidence Standards with reservations (but not What Works Clearinghouse Evidence Standards without reservations).

Randomized controlled trial means a study that employs random assignment of, for example, students, teachers, classrooms, schools, or districts to receive the intervention being evaluated (the treatment group) or not to receive the intervention (the control group). The estimated effectiveness of the intervention is the difference between the average outcomes for the treatment group and for the control group. These studies, depending on design and implementation, can meet What Works Clearinghouse Evidence Standards without reservations.

Relevant outcome means the student outcome(s) (or the ultimate outcome if not related to students) the proposed process, product, strategy, or practice is designed to improve; consistent with the specific goals of a program.

Strong theory means a rationale for the proposed process, product, strategy, or practice that includes a logic model.

What Works Clearinghouse Evidence Standards means the standards set forth in the What Works Clearinghouse Procedures and Standards Handbook (Version 3.0, March 2014), which can be found at the following link:  
<http://ies.ed.gov/ncee/wwc/DocumentSum.aspx?sid=19>.

**Program Authority:**

20 U.S.C. 1463 and 1481.

**Performance Measures:**

Under the Government Performance and Results Act of 1993 (GPRA), the Department has established a set of performance measures, including long-term measures, that are designed to yield information on various aspects of the effectiveness and quality of the Technical Assistance and Dissemination to Improve Services and Results for Children with Disabilities program. We will use these measures to evaluate the extent to which projects provide high-quality products and services, the relevance of project products and services to educational and early intervention policy and practice, and the use of products and services to improve educational and early intervention policy and practice.

Projects funded under this competition are required to submit data on these measures as directed by OSEP.

Grantees will be required to report information on their project's performance in annual and final performance reports to the Department (34 CFR 75.590).

**Applications Available:**

March 7, 2016.

**Deadline for Transmittal of Applications:**

April 21, 2016.

**Deadline for Intergovernmental Review:**

June 20, 2016.

**ESTIMATED AVAILABLE FUNDS:**

---

\$1,200,000. Contingent upon the availability of funds and the quality of applications, we may make additional awards in FY 2017 from the list of unfunded applicants from this competition.

**ESTIMATED RANGE OF AWARDS:**

---

\$375,000 - \$400,000.

**ESTIMATED AVERAGE SIZE OF AWARDS:**

---

\$400,000.

**MAXIMUM AWARD:**

---

We will reject any application that proposes a budget exceeding \$400,000 for a single budget period of 12 months.

**ESTIMATED NUMBER OF AWARDS:**

---

3.

**Note:** The Department is not bound by any estimates in this notice.

**PROJECT PERIOD:**

---

Up to 48 months.

## **PAGE LIMITS:**

---

The application narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit the application narrative to the equivalent of no more than 50 pages, using the following standards:

- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.
- Use a font that is 12 point or larger or no smaller than 10 pitch (characters per inch).
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman or Arial Narrow) will not be accepted.

The page limit and double-spacing requirement does not apply to Part I, the cover sheet; Part II, the budget section, including the narrative budget justification; Part IV, the assurances and certifications; or the abstract, the resumes, the bibliography, or the letters of support. However, the page limit does apply to all of the application narrative section (Part III).

**We will reject your application if you exceed the page limit in the application narrative section; or if you apply standards other than those specified in this notice and the application package.**

## **General Requirements:**

---

- (a) Projects funded under this notice must make positive efforts to employ and advance in employment qualified individuals with disabilities in project activities (see section 606 of IDEA); and
- (b) Applicants and grant recipients funded under this notice must involve individuals with disabilities or parents of individuals with disabilities ages birth through 26 in planning, implementing, and evaluating the projects (see section 682(a)(1)(A) of IDEA).

## **Applicable Regulations:**

---

- (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 81, 82, 84, 86, 97, 98, and 99.
- (b) The Office of Management and Budget Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485.
- (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for

Federal Awards in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.

**Note:** The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

**Note:** The regulations in 34 CFR part 86 apply to institutions of higher education (IHEs) only.

**Eligible Applicants:**

---

State educational agencies (SEAs); LEAs, including public charter schools that are considered LEAs under State law; IHEs; other public agencies; private nonprofit organizations; outlying areas; freely associated States; Indian tribes or tribal organizations; and for-profit organizations.

**Eligible Subgrantees:** (a) Under 75.708(b) and (c) a grantee may award subgrants--to directly carry out project activities described in its application--to the following types of entities: SEAs; LEAs, including public charter schools that are considered LEAs under State law; IHEs; other public agencies; private nonprofit organizations; outlying areas; freely associated States; Indian tribes or tribal organizations; and for-profit organizations.

(b) The grantee may award subgrants to entities it has identified in an approved application.

**Intergovernmental Review:**

---

This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this competition.

This document provides early notification of our specific plans and actions for this program.

**SELECTION CRITERIA AND FORMAT  
FOR THE APPLICATIONS FOR NEW AWARDS—  
MODEL DEMONSTRATION PROJECTS TO IMPROVE LITERACY  
OUTCOMES FOR ENGLISH LEARNERS WITH DISABILITIES IN GRADES  
THREE THROUGH FIVE OR THREE THROUGH SIX  
(CFDA 84.326M) COMPETITION**

---

Part III of the application form requires a narrative that addresses the selection criteria that will be used by reviewers in evaluating individual proposals. Applications are more likely to receive favorable reviews by panels when they are organized according to the format suggested below. This format was published in the FEDERAL REGISTER as an appendix to the program regulations, and it addresses all the selection criteria used to evaluate applications required by regulations. If you prefer to use a different format, you may wish to cross-reference the sections of your application to the selection criteria to be sure that reviewers are able to find all relevant information.

The selection criteria that will be used to evaluate applications submitted to the **Applications for New Awards; Training and Information for Parents of Children with Disabilities—Model Demonstration Projects to Improve Literacy Outcomes for English Learners with Disabilities in Grades Three through Five or Three through Six(CFDA 84.326M)** competition are the selection criteria for new grants required by the EDGAR general selection criteria menu. The maximum score for all of the criteria is 100 points.

The application narrative should include the following sections in this order:

---

**(a) Significance**

**(15 points)**

(1) The Secretary considers the significance of the proposed project.

(2) In determining the significance of the proposed project, the Secretary considers the following factors:

(i) The extent to which the proposed project involves a high-quality review of the relevant literature and the demonstration of promising strategies that build on, or are alternatives to, existing strategies that address the needs of the target population.

(ii) The potential contribution of the proposed project to increase knowledge or understanding of problems, issues, or effective strategies in improving results for children with disabilities.

(iii) The extent to which the proposed project is likely to build local capacity to provide, improve, or expand and sustain services that address the needs of the target population.

**Note:** Under the “Significance” criterion, reviewers are looking for a thorough review of the literature that a) substantiates the inclusion of evidence-based or promising interventions or practices in the model, in particular those interventions or practices considered “core model components”; and b) the efficacy of this model to address the issue or problem identified as a need in the priority. Reviewers will also be considering the breadth and adequacy of the applicant’s proposed approaches to site staff training and strategies for sustainment of the model as part of this criterion.

**(b) Quality of the project design****(40 points)**

- 
- (1) The Secretary considers the quality of the design of the proposed project.
- (2) In determining the quality of the design of the proposed project, the Secretary considers the following factors:
- (i) The extent to which a coherent model that includes site selection, evidenced-based intervention, implementation and sustainment components is clearly articulated.
  - (ii) The extent to which the goals, activities, and outcomes to be achieved by the proposed project are clearly specified and measurable.
  - (iii) The extent to which the design of the proposed project includes a thorough, high-quality plan for project implementation, and the use of appropriate methodological tools to ensure successful achievement of project outcomes.
  - (iv) The extent to which the training or professional development to be provided by the proposed project are of sufficient quality, intensity, and duration to lead to improvements in practice among the recipients of those services.
  - (v) The quality of the proposed project design and procedures for documenting project activities, implementation, and outcomes (e.g., a manual).
  - (vi) The likelihood that the proposed project will result in system change or improvement through articulated strategies to sustain implementation, and detailed documentation that would allow replication in other locations.

**Note:** Under the “Quality of Project Design” criterion, the reviewers are looking for a) a description of model site selection and preparation, to include the criteria for site selection and how the model will be introduced to major stakeholders at the site(s); b) a clear and thorough description of the *core intervention components* of the model, to include the child and system outcomes to be measured, along with proposed measures of social validity; c) a clear and thorough description of *the implementation components* of the model, to include at minimum how and when site staff training will occur and the content of the training, how trainer remediation is addressed, staff coaching strategies, and how implementation fidelity will be measured; and d) a clear and thorough description of the applicant’s proposed sustainment strategies, to include how the information contained in the manual for the model will be compiled. In order to put these components in context, the reviewers also will be looking for a general timeline or flow of activities for the project that illustrates when these components are introduced in each site and how and when the measures are taken and analyzed in support of the project evaluation activities.

**(c) Adequacy of project resources and management plan****(25 points)**

- 
- (1) The Secretary considers the adequacy of resources for the proposed project and the quality of its management plan.
- (2) In determining the adequacy of resources and the management plan, the Secretary considers the extent to which the applicant encourages applications for employment from

persons who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability.

(3) In addition, the Secretary considers the following factors:

(i) The qualifications, including relevant training and experience, of key project personnel (i.e., project director, project staff, and project consultants or subcontractors).

(ii) The adequacy of support, including the time commitments of the project director, project staff, and project consultants or subcontractors and the type and quality of facilities, equipment, supplies, and other resources from the applicant organization and key partners.

(iii) The extent to which the costs are reasonable in relation to the number of persons to be served and to the anticipated outcomes and benefits.

(vi) The adequacy of the management plan to achieve the objectives of the proposed model on time and within budget, including clearly defined responsibilities, timelines, and milestones for accomplishing project tasks.

vii) The adequacy of mechanisms for ensuring high-quality products and services from the proposed project.

#### **(d) Quality of the project evaluation**

**(20 points)**

---

(1) The Secretary considers the quality of the evaluation to be conducted of the proposed project.

(2) In determining the quality of the evaluation, the Secretary considers the following factors:

(i) The extent to which the methods of evaluation will provide performance feedback and permit periodic assessment of progress toward effective implementation of the proposed project and achieving intended child and system outcomes.

(ii) The extent to which the methods of evaluation provide for examining the effectiveness of model intervention, implementation, and sustainment strategies.

(iii) The extent to which the methods of evaluation are thorough, feasible, and appropriate to the goals, activities, and outcomes of the proposed model.

(iv) The extent to which the evaluation will provide guidance about effective strategies suitable for replication or testing in other settings.

**Note:** Under the “Quality of the Project Evaluation” criterion, the reviewers are looking for a) a clear description of each of the proposed measures (it is recommended that the applicant attach the actual measure proposed; a description of the actual or proposed measure; or an example of a measure that closely approximates the proposed measure in an appendix); and b) a clear indication of when these measures will be applied and how they will be analyzed and used for *formative evaluation purposes* (i.e., for making improvements to the model during the grant period) and for *summative evaluation purposes* (i.e., for determining the effectiveness and acceptability of the processes and outcomes attributable to the model).

# **GENERAL INFORMATION ON COMPLETING AN APPLICATION**

## **GENERAL INFORMATION ON COMPLETING AN APPLICATION**

---

Potential applicants frequently direct questions to officials of the Department regarding application notices and programmatic and administrative regulations governing various direct grant programs. To assist potential applicants, the Office of Special Education Programs staff have assembled the following most commonly raised issues. In general, this information applies to the grant competitions covered by this application package.

### **EXTENSION OF DEADLINES**

Waivers for individual applications are not granted, regardless of the circumstances. Under very extraordinary circumstances a closing date may be changed. Such changes are announced in the *Federal Register*.

### **COPIES OF THE APPLICATION**

Unless you qualify for an exception in accordance with the instructions found in the Notice inviting applications, you must submit your application electronically. Therefore, you do not need to submit paper copies of the application. If you are granted an exception, current Government-wide policy requires that an original and two paper copies need to be submitted. Please note: If an application is recommended for funding and a grant award is issued, we will contact the applicant to request an electronic copy of the application in MS Word or a PDF file. The Department is moving toward an electronic grant filing system and an electronic copy of all applications that are being funded will facilitate this effort.

### **MAKING APPLICATIONS MORE ACCESSIBLE TO REVIEWERS WHO ARE BLIND OR HAVE LOW VISION**

The Department will accept one copy of the application in an accessible format (i.e., IBM PC compatible WordPerfect or ASCII code diskette) along with the original and two print copies of the application. The accessible format copy can be used with available software to convert the text of the application into Braille, or with text to voice applications. If there are any differences in the print original provided on the disk and in print, the print original is assumed to be the correct version. Please note that it is not a requirement that one copy of the application be in an accessible format.

### **MISSED DEADLINES AND SUBMISSION UNDER OTHER COMPETITIONS**

Should an application miss the deadline for a particular competition, it may be submitted to another competition. However, if an application is properly prepared to meet the specifications of one competition, it is extremely unlikely that it would be favorably evaluated under a different competition.

### **SUBMISSION TO MORE THAN ONE PROGRAM**

Applications may be submitted to more than one Federal program if you are unsure of the most appropriate program. Each application should be prepared following the instructions for that particular program as closely as possible (which may require some reformulation). It is very helpful if each program is notified that an identical or similar application is being submitted to another program.

## HELP PREPARING APPLICATIONS

We are happy to provide general program information. Clearly it would **not** be appropriate for staff to participate in the actual writing of an application, but we can respond to specific questions about our application requirements and evaluation criteria, or about the announced priorities. Applicants should understand that such previous contact is not required, nor does it guarantee the success of an application.

## NOTIFICATION OF FUNDING

The time required to complete the evaluation of applications is variable. Once applications have been received staff must determine the areas of expertise needed to appropriately evaluate the applications, identify and contact potential reviewers, convene peer review panels, and summarize and review the recommendations of the review panels. You can expect to receive notification within 3 to 6 months of the application closing date, depending on the number of applications received and the number of competitions with closing dates at about the same time.

## POSSIBILITY OF LEARNING THE OUTCOME OF REVIEW PANELS PRIOR TO OFFICIAL NOTIFICATION

Every year we are called by a number of applicants who have legitimate reasons for needing to know the outcome of the review prior to official notification. Some applicants need to make job decisions, some need to notify a local school district, etc. Regardless of the reason, we cannot share information about the review with **anyone** until the Assistant Secretary has approved a slate of projects recommended for funding. You will be notified as quickly as possible either by telephone (if your application is recommended for funding), or through a letter (if your application is not successful).

## FORMAT FOR APPLICATIONS

The **application narrative** (Part III of the application form) should be organized to follow the exact sequence of the components in the selection criteria used to evaluate applications. (The selection criteria for the competitions covered by this packet are listed following the specific competition information in section “B” of this packet. The **abstract**, should precede the table of contents, and application narrative. In submitting your application through Grants.gov, the **abstract** template should be uploaded and attached to the Abstract File. The **abstract** template, located at

<http://www2.ed.gov/programs/oseptad/applicant.html#84326M> should be completed to provide a comprehensive description of the proposed project. For the table of contents, list of priority requirements, and application narrative, you will have to PDF these documents into one file, then upload and attach to the Mandatory Project Narrative File. If you prefer to use a different format, you may wish to cross-reference the sections of your application to the selection criteria to be sure that reviewers are able to find all relevant information.

To aid in screening and reviewing the application, applicants should list after the table of contents, all general, special, and other requirements for the priority and corresponding page number (s) where requirements are addressed within the application. (All requirements are found in each priority description included in this application package.) Page limits do not apply to this list of priority requirements (see Application Forms and Instructions for Grants.gov Submission document for upload instructions). The format included below is an example of how you might provide this information in your application.

PAGE #	REQUIREMENTS
_____	(a) Projects funded under this notice must make positive efforts to employ and advance in employment qualified individuals with disabilities in project activities. (See Section 606 of IDEA)
_____	(b) Applicants and grant recipients funded under this notice must involve individuals with disabilities or parents of individuals with disabilities ages birth through 26 in planning, implementing, and evaluating the projects. (See Section 682(a)(1)(A) of IDEA)
_____	(c) Applicant must describe steps to ensure equitable access to, and participation in, its program for students, teachers, and other program beneficiaries with special needs. (See Section 427, GEPA)
_____	(d) Projects funded under these priorities must budget for a three-day Project's Directors' meeting in Washington, D.C. during each year of the project.

**PAGE LIMITS**

Please note that all applications submitted under the competition in this application package must adhere to the Part III—Application Narrative page limit requirements that are specified under each priority/competition description. Your application should provide enough information to allow the review panel to evaluate the importance and impact of the project as well as to make knowledgeable judgments about the methods you propose to use (design, subjects, sampling procedures, measures, instruments, data analysis strategies, etc.). It is often helpful to have:

- 1. Staff Vitae:** They should include each person's title and role in the proposed project and contain only information that is relevant to this proposed project's activities and/or publications. Vitae for consultants and Advisory Council members should be similarly brief.
- 2. Instruments:** Except in the case of generally available and well known instruments.
- 3. Agreements:** When the participation of an agency other than the applicant is critical to the project. This is particularly critical when an intervention will be implemented within an agency, or when subjects will be drawn from particular agencies. Letters of cooperation should be specific, indicating agreement to implement a particular intervention or to provide access to a particular group of students.

The items listed above are not included under page limits.

**MAKING SURE APPLICATION IS ASSIGNED TO THE CORRECT COMPETITION**

Applicants should clearly indicate in Item 11 on the application (SF Form 424) the CFDA number of the program priority (e.g., 84.326M, etc.) representing the competition in which the application should be considered. If this information is not provided, your application may inadvertently be assigned and reviewed under a different competition from the one you intended.

## RETURN OF NON-FUNDED APPLICATIONS

We do not return original copies of applications. Thus, applicants should retain at least one copy of the application. Copies of reviewer comments will be mailed to all applicants.

## PROPOSED STAFF AVAILABILITY TO PROJECT

For each staff person named in the application, please provide documentation of all internal and external time commitments. In instances where a staff person is committed on a federally supported project, please provide the project name, Federal office, program title, the project federal award number, and the amount of committed time by each project year. This information (e.g., Staff: Jane Doe; Project Name: Succeeding in the General Curriculum; Federal office: Office of Special Education Programs; Program title: Educational Technology, Media, and Materials for Individuals with Disabilities; Award number: H326A030002; Time commitments: Year 1—30%; Year 2—25% and Year 3—40%) can be provided as an Appendix to the application.

In general, we will not reduce time commitments on currently funded grants from the time proposed in the original application. Therefore, we will not consider for funding any application where key staff are bid above a time commitment level that staff have available to bid. Further, the time commitments stated in newly submitted applications will not be negotiated down to permit the applicant to receive a new grant award.

## USE OF PERSON LOADING CHARTS

It is important for applicants to include proposed time commitments for all project personnel. Also, program officials and applicants often find person loading charts useful formats for showing project personnel and their time commitments to individual activities. A person loading chart is a tabular representation of major evaluation activities by number of days spent by each key person involved in each activity, as shown in the following example.

**TABLE: PERSON LOADING CHART—TIME IN DAY(S) BY PERSON\***

<b>Activity</b>	<b>Time in Day(s) by Person A</b>	<b>Time in Day(s) by Person B</b>	<b>Time in Day(s) by Person C</b>	<b>Time in Day(s) by Person D</b>
Library Research	0	0	0	0
Hire Staff	0	0	0	0
Prepare Materials	0	0	0	0
Train Raters	0	2	0	0
Data Collection	0	0	0	0
Data Analysis	0	0	0	0
Dissemination (manuscripts, etc.)	0	0	0	0

\*Note: All figures represent FTE for the grant year.

## DELIVERING/SENDING APPLICATIONS TO THE COMPETITION MANAGER

Applications can be mailed or hand delivered, or submitted electronically but in either case must go to the Application Control Center at the address listed in the Application Transmittal Instructions. Delivering or sending the application to the competition manager in the program office may prevent it from being logged in on time to the appropriate competition and may result in the application not being reviewed.

## ALLOWED TRAVEL UNDER THESE PROJECTS

Travel is allowed if the travel specifically relates to the expressed goals of the project. Travel by students to further their education under the project's goals is also allowed. Travel to conferences is the travel item that is most likely to be questioned during negotiations. Such travel is sometimes allowed when it is for purposes of dissemination, when there will be results to be disseminated, and when it is clear that a conference presentation or workshop is an effective way of reaching a particular target group.

## FUNDING OF APPROVED APPLICATIONS

It is often the case that the number of applications recommended for approval by the reviewers exceeds the dollars available for funding projects under a particular competition. When the panel reviews are completed for a particular competition, the individual reviewer scores and applications are ranked. The higher ranked, approved applications are funded first, and there are often lower ranked, approved applications that do not receive funding. Sometimes, one or two applications that are approved and fall next in rank order (after those projects selected for funding) are placed on hold. If dollars become available as a result of negotiations, or if a higher ranked applicant declines the award, the projects on hold may receive funding. If you receive a letter stating that you will not receive funding, then your project has neither been selected for funding nor placed on hold.

## INDIRECT COST RATE

There is no maximum indirect cost for the competitions in this application package. An organization's current effective indirect cost rate is the rate that should be reflected in your proposed budget. The Department of Education (ED) reimburses grantees for its portion of indirect costs that a grantee incurs in projects funded by the Applications for New Awards; Technical Assistance and Dissemination to Improve Services and Results for Children with Disabilities—Model Demonstration Projects to Improve Literacy Outcomes for English Learners with Disabilities in Grades Three through Five or Three through Six (CFDA 84.326M) competition. Any grantee charging indirect costs to a grant from this program must use the indirect cost rate (ICR), negotiated with its *cognizant agency*, i.e., either the Federal agency from which it has received the most direct funding, subject to indirect cost support, the particular agency specifically assigned cognizance by the Office of Management and Budget or the State agency that provides the most subgrant funds to the grantee.

**Note:** Applicants should pay special attention to specific questions on the application budget form (ED 524) about their cognizant agency and the ICR they are using in their budget.

If an applicant selected for funding under this program has not already established a current ICR with its cognizant agency as a result of current or previous funding, ED will require it to do so within 90 days after the date the grant was issued by ED. Applicants should be aware that ED is very often *not* the cognizant agency for its own grantees. Rather, ED accepts, for the purpose of funding its awards, the current ICR established by the appropriate cognizant agency.

An applicant that has not previously established an indirect cost rate with the Federal government or a State agency under a Federal program and that is selected for funding will not be allowed to charge its grant for indirect costs until it has negotiated a current indirect cost rate agreement with its cognizant agency.

Applicants are encouraged to use their accountant (or CPA) to calculate an indirect cost rate using information in the IRS Form 990, audited financial statements, actual cost data or a cost

*policy statement* that such applicants are urged to prepare (but NOT submit to ED) during the application process.

Applicants should use this proposed rate in their application materials and indicate which of the above methods was used to calculate the rate. Guidance for creating a cost policy statement can be obtained by sending an E-mail to:

*katrina.mcdonald@ed.gov*

Applicants with questions about using indirect cost rates under this program should contact the program contact person shown elsewhere in this application package.

### **ISSUES RAISED DURING DISCUSSIONS PRIOR TO AWARD**

If your application is recommended for funding, discussions may be held prior to award to clarify technical or budget issues. These are issues that have been identified during panel and staff review. Generally, technical issues are minor issues that require clarification. Alternative approaches may be presented for your consideration, or you may be asked to provide additional information or rationale for something you have proposed to do. Sometimes, concerns are stated as "conditions". These are concerns that have been identified as so critical that the award cannot be made unless those conditions are met. Questions are also raised about the proposed budget during the discussion phase. Generally, budget issues are raised because there is inadequate justification or explanation of the particular budget item, or because the budget item does not seem critical to the successful completion of the project. A Federal project officer will present the issues to you and ask you to respond. If you do not understand the question, you should ask for clarification. In responding to discussion items you should provide any additional information or clarification requested. You may feel that an issue was addressed in the application. It may not, however, have been explained in enough detail to make it understood by reviewers, and more information should be provided. If you are asked to make changes that you feel could seriously affect the project's success, you may provide reasons for not making the changes, or provide alternative suggestions. Similarly, if proposed budget reductions will, in your opinion, seriously affect the proposed activities, you may want to explain why and provide additional justification for the proposed expenses. Your changes, explanations and alternative suggestions will be carefully evaluated by staff. In some instances, an applicant may again be contacted for additional information. An award cannot be made until all issues have been resolved and conditions met.

### **TREATING A PRIORITY AS TWO SEPARATE COMPETITIONS.**

In the past, there have been problems in finding peer reviewers without conflicts of interest where applications are made by many entities throughout the country. The Standing Panel requirements also place additional constraints on the availability of reviewers. Therefore, The Department has determined that, for some discretionary priorities, applications may be ranked and selected for funding in two or more groups, which will ensure the availability of a much larger group of reviewers without conflicts of interest. This procedure will increase the quality, independence and fairness of the review process and will permit panel members to review applications under discretionary priorities to which they have also submitted applications.

### **SUCCESSFUL APPLICATIONS AND ESTIMATED/PROJECTED BUDGET AMOUNTS IN SUBSEQUENT YEARS**

There is a maximum award amount specified for the priority/competitions included in this package. The Department rejects and does not consider an application that proposes a budget exceeding the maximum amount for any single budget period of 12 months for the priorities included in this package. Please refer to the priority description to determine the maximum award for any one

particular competition. Since the yearly budgets for multi-year projects will be negotiated at the time of the initial award, applicants must include detailed budgets for each year of their proposed project. Generally, out-year funding levels most likely will not exceed 1st year budgets. However, budget modifications during the negotiation process, the findings from the previous year, or needed changes in the study design can affect your budget requirements in subsequent years, but in no case will out-year budgets exceed the maximum award amount.

#### **REQUIREMENT TO REPORT THE RESULTS OF GRANT ACTIVITIES**

The Department shall, where appropriate, require recipients of all grants, contracts and cooperative agreements under Part D of the *Individuals with Disabilities Education Act* to prepare reports describing their procedures, findings, and other relevant information. The Department shall require their delivery to the Department of Education and other networks as The Department may determine appropriate. (20 U.S.C. 1482)

#### **DIFFERENCE BETWEEN A COOPERATIVE AGREEMENT AND A GRANT**

A cooperative agreement is similar to a grant in that its principal purpose is to accomplish a public purpose of support or stimulation as authorized by a Federal statute. It differs from a grant in the sense that in a cooperative agreement substantial involvement is anticipated between the executive agency (in this case the Department of Education) and the recipient during the performance of the contemplated activity.

#### **DIFFERENCE BETWEEN AN ABSOLUTE PRIORITY, AN INVITATIONAL PRIORITY, AND A COMPETITIVE PRIORITY**

An absolute priority is a priority that an applicant must address in order to receive an award. If an applicant does not address an absolute priority, their application will be returned as being non-responsive to the priority.

An invitational priority is a priority that reflects a particular interest of the Department, and an applicant is encouraged to address the invitational priority along with the required absolute priority. However, an applicant choosing to address an invitational priority will not receive any competitive preference over other applications.

A competitive priority is like an invitational priority in that it reflects a particular interest of the Department, and an applicant is encouraged to address the competitive priority along with the required absolute priority. A competitive priority may be handled in one of two ways:

1. an application may be awarded additional points depending on how effectively it addresses the competitive priority; or
2. an application that meets a competitive priority may be selected over an application of comparable merit that does not address the competitive priority. The type of competitive priority for a particular competition is always included in the *Federal Register* announcement.

## **OBTAINING COPIES OF THE FEDERAL REGISTER, PROGRAM REGULATIONS AND FEDERAL STATUTES**

Copies of these materials can usually be found at your local library. If not, they can be obtained by writing to:

Superintendent of Documents  
U.S. Government Printing Office  
Washington, DC 20402

Telephone: 202-512-1800

Information about the Department's funding opportunities, including copies of application notices for discretionary grant competitions, can be viewed on the Department's grant information web page which can be accessed on the Internet at:

[www.ed.gov/about/offices/list/ocfo/gcsindex.html](http://www.ed.gov/about/offices/list/ocfo/gcsindex.html)

However, the official application notice for a discretionary grant competition is the notice published in the *Federal Register*.

**APPLICATION TRANSMITTAL  
INSTRUCTIONS AND REQUIREMENTS FOR  
INTERGOVERNMENTAL REVIEW**

# APPLICATION TRANSMITTAL INSTRUCTIONS

---

## ATTENTION ELECTRONIC APPLICANTS:

**Please note that you must follow the Application Procedures as described in the Federal Register notice announcing the grant competition. This program requires electronic submission of applications, and specific requirements and waiver instructions can be found in the Federal Register notice.**

We will reject your application if you submit it in paper format unless, as described in the Federal Register notice for this competition, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions.

If you want to apply for a grant and be considered for funding, you must meet the following deadline requirements:

## APPLICATIONS SUBMITTED ELECTRONICALLY

---

Applications for grants under this program must be submitted electronically using the Government-wide Grants.gov Apply site at [www.Grants.gov](http://www.Grants.gov). Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may **not** e-mail an electronic copy of a grant application to us.

Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system **no later than 4:30:00 p.m., Washington, DC time, on the application deadline date**. Except as otherwise noted in Federal Register notice for this competition, we will not consider your application if it is date and time stamped by the Grants.gov system later than 4:30:00 p.m., Washington, DC time, on the application deadline date.

You should review and follow the Grants.gov Submission Procedures and Tips for Applicants for submitting an application through Grants.gov that are included in this application package to ensure that you submit your application in a timely manner to the Grants.gov system.

### **Please note the following:**

- You must attach any narrative sections of your application as files in a **.pdf** (Portable Document) format. **If you upload a file type other than a .pdf file, or submit a password-protected file, we will not review that material.**
- Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission.
- When attaching files, applicants should limit the size of their file names. Lengthy file names could result in difficulties with opening and processing your application. We recommend your file names be less than 50 characters. The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.
- Your electronic application must comply with any page-limit requirements described in this application package.
- If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

**According to the instructions found in the Federal Register notice, only those requesting and qualifying for an Exception to the electronic submission requirement may submit an application via mail, commercial carrier or by hand delivery.**

### **SUBMISSION OF PAPER APPLICATIONS BY MAIL:**

---

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education  
Application Control Center  
Attention: (CFDA Number **84.326M**)  
LBJ Basement Level 1  
400 Maryland Avenue, SW.  
Washington, DC 20202-4260

You must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.
- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

**Note:** The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

### **SUBMISSION OF PAPER APPLICATIONS BY HAND DELIVERY:**

---

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education  
Application Control Center  
Attention: (CFDA Number **84.326M**)  
550 12th Street, SW.  
Washington, DC 20202-4260

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

## **NOTE FOR MAIL OR HAND DELIVERY OF PAPER APPLICATIONS:**

---

If you mail or hand deliver your application to the Department—

- (1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and
- (2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

## **SUBMITTING APPLICATIONS WITH ADOBE READER SOFTWARE**

---

The Department of Education, working with Grants.gov, is currently moving from using PureEdge software to using Adobe Reader software exclusively and applications submitted to Grants.gov for the Department of Education will be posted using Adobe forms. Applicants will no longer need to use the PureEdge software to create or submit an application.

**Please note:** The compatible version of Adobe Reader is **required** for viewing, editing and submitting a complete grant application package for the Department of Education through Grants.gov. Applicants should confirm the compatibility of their Adobe Reader version **before** downloading the application. To ensure applicants have a version of Adobe Reader on their computer that is compatible with Grants.gov, applicants are encouraged to use the test package provided by Grants.gov that can be accessed at <http://www.grants.gov/applicants/AdobeVersioningTestOnly.jsp>.

## **IMPORTANT ISSUES TO CONSIDER:**

---

- If the applicant opened or edited the application package with any software other than the compatible version of Adobe Reader, the application package may contain errors that will be transferred to the new package even if you later download the compatible Adobe Reader version.
- Applicants **cannot** copy and paste data from a package initially opened or edited with an incompatible version of Adobe Reader and will need to download an **entirely new package** using the compatible version of Adobe Reader.
- Some applicants using an incompatible version of Adobe Reader **may have trouble** opening and viewing the application package while others may find they can open, view and complete the application package but **may not be able to submit** the application package through Grants.gov.
- Grants.gov **does not** guarantee to support versions of Adobe Reader that are not compatible with Grants.gov.
- Any and all edits made to the Adobe Reader application package **must** be made with the compatible version of Adobe Reader.

**For your convenience, the latest version of Adobe Reader is available for free download at**

<http://get.adobe.com/reader/otherversions/>

We strongly recommend that you review the information on computer and operating system compatibility with Adobe available at [http://www.grants.gov/applicants/applicant\\_faqs.jsp#software](http://www.grants.gov/applicants/applicant_faqs.jsp#software) **before** downloading, completing or submitting your application.

Applicants are reminded that they should submit their application a day or two in advance of the closing date as detailed in the Federal Register Notice. If you have any questions regarding this matter please email the Grants.gov Contact Center at [support@grants.gov](mailto:support@grants.gov) or call 1-800-518-4726.

# **APPENDIX**

## **INTERGOVERNMENTAL REVIEW OF FEDERAL PROGRAMS**

---

This appendix applies to each program that is subject to the requirements of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR part 79.

The objective of the executive order is to foster an intergovernmental partnership and to strengthen federalism by relying on state and local processes for state and local government coordination and review of proposed federal financial assistance.

Applicants must contact the appropriate State Single Point of Contact to find out about, and to comply with, the state's process under Executive Order 12372. Applicants proposing to perform activities in more than one state should immediately contact the Single Point of Contact for each of those states and follow the procedure established in each of those states under the Executive order. A listing containing the Single Point of Contact for each state is included in this appendix.

In states that have not established a process or chosen a program for review, state, areawide, regional, and local entities may submit comments directly to the Department.

Any State Process Recommendation and other comments submitted by a State Single Point of Contact and any comments from state, areawide, regional and local entities must be mailed or hand-delivered by the date indicated in the actual application notice to the following address:

The Secretary  
EO 12372—CFDA 84.326M [commenter must insert number—including suffix letter,  
if any]  
U.S. Department of Education, Room 7W301  
400 Maryland Avenue, SW  
Washington, DC 20202

Proof of mailing will be determined on the same basis as applications (see 34 CFR 75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. (Washington, D.C. time) on the date indicated in the actual application notice.

**PLEASE NOTE THAT THE ABOVE ADDRESS IS NOT THE SAME ADDRESS AS THE ONE TO WHICH THE APPLICANT SUBMITS ITS COMPLETED APPLICATION. DO NOT SEND APPLICATIONS TO THE ABOVE ADDRESS.**

## **STATE SINGLE POINTS OF CONTACT (SPOCs)**

---

It is estimated that in 2009 the federal government will outlay \$500 billion in grants to state and local governments. Executive Order 12372, "Intergovernmental Review of Federal Programs," was issued with the desire to foster the intergovernmental partnership and strengthen federalism by relying on state and local processes for the coordination and review of proposed federal financial assistance and direct federal development. The order allows each state to designate an entity to perform this function. Below is the official list of those entities. For those states that have a home page for their designated entity, a direct link has been provided below by clicking on the state name.

States that are not listed on this page have chosen not to participate in the intergovernmental review process, and therefore do not have a SPOC. If you are located within a state that does not have a SPOC, you may send application materials directly to a federal awarding agency

Contact information for federal agencies that award grants can be found in Appendix IV of the Catalog of Federal Domestic Assistance.

**NOTICE TO ALL APPLICANTS  
ENSURING EQUITABLE ACCESS AND  
APPLICATION FORMS AND INSTRUCTIONS**

# NOTICE TO ALL APPLICANTS

---

The purpose of this enclosure is to inform you about a new provision in the Department of Education's General Education Provisions Act (GEPA) that applies to applicants for new grant awards under Department programs. This provision is Section 427 of GEPA, enacted as part of the *Improving America's Schools Act of 1994* (Public Law (P.L.) 103-382).

## To Whom Does This Provision Apply?

Section 427 of GEPA affects applicants for new grant awards under this program. **All applicants for new awards must include information in their applications to address this new provision in order to receive funding under this program.**

(If this program is a state-formula grant program, a state needs to provide this description only for projects or activities that it carries out with funds reserved for state-level uses. In addition, local school districts or other eligible applicants that apply to the state for funding need to provide this description in their applications to the state for funding. The state would be responsible for ensuring that the school district or other local entity has submitted a sufficient section 427 statement as described below.)

## What Does This Provision Require?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its federally-assisted program for students, teachers, and other program beneficiaries with special needs. This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. Based on local circumstances, you should determine whether these or other barriers may prevent your students, teachers, etc. from such access or participation in, the federally-funded project or activity.

The description in your application of steps to be taken to overcome these barriers need not be lengthy; you may provide a clear and succinct description of how you plan to address those

barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

## What are Examples of How an Applicant Might Satisfy the Requirement of This Provision?

The following examples may help illustrate how an applicant may comply with Section 427.

- (1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.
- (2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in Braille for students who are blind.
- (3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it intends to conduct "outreach" efforts to girls, to encourage their enrollment.

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.

## **ESTIMATED BURDEN STATEMENT FOR GEPA REQUIREMENTS**

---

According to the *Paperwork Reduction Act of 1995*, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is **1894-0005**. The time required to complete this information collection is estimated to average 1.5 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to:

# APPLICATION FORMS AND INSTRUCTIONS FOR GRANTS.GOV APPLICATIONS

---

The electronic application on Grants.gov consists of multiple mandatory forms that must be completed as well as narrative attachment forms that should be used to upload any file attachments. While there are no file size restrictions, we strongly discourage submission of very large documents. Follow the guidance provided on Grants.gov as well as the Submission Tips document located in this application instruction document for specific information on file sizes, file naming requirements, etc. NOTE: As stated in the application notice, the Department only accepts PDF files.

Listed below are all forms that must be completed and instructions on where to upload narratives for the application.

## General Forms:

- Application for Federal Assistance (SF-424)
- Department of Education Budget Information for Non-Construction Programs (ED-524)
- Department of Education Supplemental for SF-424

Note: instructions for all of the standard forms (SF-424, 524, and 424 Supplemental, etc.), will follow the forms included elsewhere in the application package.

## Assurances and Certifications:

- Assurances for Non-Construction Programs (SF-424B)
- Disclosure of Lobbying Activities (SF-LLL)
- Grants.gov Lobbying Form (Formerly ED Form 80-0013)
- ED GEPA427 Form

## Abstract:

- ED Abstract Form—(Upload and attach your PDF abstract to Abstract File). **For the application Abstract, applicants should use the template located at:** <http://www2.ed.gov/programs/oseptad/applicant.html#84326M>

## Narrative Attachment Forms:

- Project Narrative Attachment Form\* (Upload and attach to Mandatory Project Narrative File). Submit only one PDF document to the Mandatory Project Narrative File in the following order:
  - Table of Contents
  - List of Priority Requirements and corresponding page number(s) where requirements are addressed within the application (if applicable)
  - Project Narrative (required)

**Other Narrative Attachments** (Upload and attach to Optional Project Narrative File).

Upload the attachments in the order they should appear in the application.

Suggested order:

- Reference List

- Appendix A (See Dear Applicant letter for description)
- Resumes
- Letters
- Supplementary Information
- Other Appendices

**NOTE:** The Project Narrative Attachment Form should include the narrative (text) that addresses each of the selection criteria, listed elsewhere in this document. The selection criteria will be used to evaluate applications submitted for this competition. The narrative has a strict page limit (check the Page Limits section of this document for exact page limits for the competition to which you are applying). The table of contents and list of priority requirements, if applicable, do not count toward narrative page limit.

**NOTE:** The Federal Funding Opportunity Number for this program is **ED-GRANTS-030716-001**

**NOTE:** Please do not attach any narratives, supporting files, or application components to the Standard Form (SF 424) in Part I. Although this form accepts attachments, that option **should not be used.**

**INSTRUCTIONS FOR DEPARTMENT OF EDUCATION  
SUPPLEMENTAL INFORMATION FOR SF 424**

---

1. **Project Director.** Name, address, telephone and fax numbers, and e-mail address of the person to be contacted on matters involving this application.

2. **Novice Applicant.** Check “Yes” or “No” only if assistance is being requested under a program that gives special consideration to novice applicants. Otherwise, **leave blank.**

Check “Yes” if you meet the requirements for novice applicants specified in the regulations in 34 CFR 75.225 and included on the attached page entitled “Definitions for Department of Education Supplemental Information for SF 424.” By checking “Yes” the applicant certifies that it meets these novice applicant requirements. Check “No” if you do not meet the requirements for novice applicants.

3. **Human Subjects Research.** (See I. A. “Definitions” in attached page entitled “Definitions for Department of Education Supplemental Information for SF 424.”)

**If Not Human Subjects Research.** Check “No” if research activities involving human subjects are not planned at any time during the proposed project period. The remaining parts of Item 3 are then not applicable.

**If Human Subjects Research.** Check “Yes” if research activities involving human subjects are planned at any time during the proposed project period, either at the applicant organization or at any other performance site or collaborating institution. Check “Yes” even if the research is exempt from the regulations for the protection of human subjects. (See I. B. “Exemptions” in attached page entitled “Definitions for Department of Education Supplemental Information For SF 424.”)

3a. **If Human Subjects Research is Exempt from the Human Subjects Regulations.** Check “Yes” if all the research activities proposed are designated to be exempt from the regulations. Insert the exemption

number(s) corresponding to one or more of the six exemption categories listed in I. B. “Exemptions.” In addition, follow the instructions in II. A. “Exempt Research Narrative” in the attached page entitled “Definitions for Department of Education Supplemental Information Form SF 424.”

3a. **If Human Subjects Research is Not Exempt from Human Subjects Regulations.** Check “No” if some or all of the planned research activities are covered (not exempt). In addition, follow the instructions in II. B. “Nonexempt Research Narrative” in the page entitled “Definitions for Department of Education Supplemental Information Form SF 424

3a. **Human Subjects Assurance Number.** If the applicant has an approved Federal Wide (FWA) on file with the Office for Human Research Protections (OHRP), U.S. Department of Health and Human Services, that covers the specific activity, insert the number in the space provided. If the applicant does not have an approved assurance on file with OHRP, enter “None.” In this case, the applicant, by signature on the SF-424, is declaring that it will comply with 34 CFR 97 and proceed to obtain the human subjects assurance upon request by the designated ED official. If the application is recommended/selected for funding, the designated ED official will request that the applicant obtain the assurance within 30 days after the specific formal request.

**NOTE ABOUT  
INSTITUTIONAL REVIEW BOARD APPROVAL.**

ED does not require certification of Institutional Review Board approval with the application. However, if an application that involves non-exempt human subjects research is recommended/selected for funding, the designated ED official will request that the applicant obtain and send the certification to ED within 30 days after the formal request.

## **PAPERWORK BURDEN STATEMENT**

---

According to the *Paperwork Reduction Act of 1995*, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1890-0017. The time required to complete this information collection is estimated to average between 15 and 45 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the estimate(s) or suggestions for improving this form, please write to:

## DEFINITIONS FOR DEPARTMENT OF EDUCATION SUPPLEMENTAL INFORMATION FOR SF 424

(Attachment to Instructions for Supplemental Information for SF 424)

### DEFINITIONS

#### Novice Applicant (See 34 CFR 75.225).

For discretionary grant programs under which the Secretary gives special consideration to novice applications, a novice applicant means any applicant for a grant from ED that—

- Has never received a grant or subgrant under the program from which it seeks funding;
- Has never been a member of a group application, submitted in accordance with 34 CFR 75.127-75.129, that received a grant under the program from which it seeks funding; and
- Has not had an active discretionary grant from the Federal government in the five years before the deadline date for applications under the program. For the purposes of this requirement, a grant is active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds.

In the case of a group application submitted in accordance with 34 CFR 75.127-75.129, a group includes only parties that meet the requirements listed above.

### PROTECTION OF HUMAN SUBJECTS IN RESEARCH

#### I. Definitions and Exemptions

##### A. Definitions.

A research activity involves human subjects if the activity is research, as defined in the Department's regulations, and the research activity will involve use of human subjects, as defined in the regulations.

##### —Research

The ED Regulations for the Protection of Human Subjects, Title 34, Code of Federal

Regulations, Part 97, define research as “a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge.” *If an activity follows a deliberate plan whose purpose is to develop or contribute to generalizable knowledge it is research.* Activities which meet this definition constitute research whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities.

##### —Human Subject

The regulations define human subject as “a living individual about whom an investigator (whether professional or student) conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information.” (1) *If an activity involves obtaining information about a living person by manipulating that person or that person's environment, as might occur when a new instructional technique is tested, or by communicating or interacting with the individual, as occurs with surveys and interviews, the definition of human subject is met.* (2) *If an activity involves obtaining private information about a living person in such a way that the information can be linked to that individual (the identity of the subject is or may be readily determined by the investigator or associated with the information), the definition of human subject is met.* [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a school health record).]

## B. Exemptions.

Research activities in which the **only** involvement of human subjects will be in one or more of the following six categories of **exemptions** are not covered by the regulations:

- (1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (a) research on regular and special education instructional strategies, or (b) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.
- (2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless: (a) information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and (b) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation. ***If the subjects are children, exemption 2 applies only to research involving educational tests and observations of public behavior when the investigator(s) do not participate in the activities being observed. Exemption 2 does not apply if children are surveyed or interviewed or if the research involves observation of public behavior and the investigator(s) participate in the activities being observed.*** [Children are defined as persons who have not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law or jurisdiction in which the research will be conducted.]
- (3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior that is not exempt under section (2) above, if the human subjects are elected or appointed public officials or candidates for public office; or

federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

- (4) Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.
- (5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine: (a) public benefit or service programs; (b) procedures for obtaining benefits or services under those programs; (c) possible changes in or alternatives to those programs or procedures; or (d) possible changes in methods or levels of payment for benefits or services under those programs.
- (6) Taste and food quality evaluation and consumer acceptance studies, (a) if wholesome foods without additives are consumed or (b) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

## II. Instructions for Exempt and Nonexempt Human Subjects Research Narratives

If the applicant marked "Yes" for Item 3 of Department of Education Supplemental Information for SF 424, the applicant must provide a human subjects "exempt research" or "nonexempt research" narrative. Insert the narrative(s) in the space provided. If you have multiple projects and need to provide more than one narrative, be sure to label each set of responses as to the project they address.

### A. Exempt Research Narrative.

If you marked “Yes” for item 3 a. and designated exemption numbers(s), provide the “exempt research” narrative. The narrative must contain sufficient information about the involvement of human subjects in the proposed research to allow a determination by ED that the designated exemption(s) are appropriate. The narrative must be succinct.

### B. Nonexempt Research Narrative.

If you marked “No” for item 3 a. you must provide the “nonexempt research” narrative. The narrative must address the following seven points. Although no specific page limitation applies to this section of the application, be succinct.

- (1) **Human Subjects Involvement and Characteristics:** Provide a detailed description of the proposed involvement of human subjects. Describe the characteristics of the subject population, including their anticipated number, age range, and health status. Identify the criteria for inclusion or exclusion of any subpopulation. Explain the rationale for the involvement of special classes of subjects, such as children, children with disabilities, adults with disabilities, persons with mental disabilities, pregnant women, prisoners, institutionalized individuals, or others who are likely to be vulnerable
- (2) **Sources of Materials:** Identify the sources of research material obtained from individually identifiable living human subjects in the form of specimens, records, or data. Indicate whether the material or data will be obtained specifically for research purposes or whether use will be made of existing specimens, records, or data.
- (3) **Recruitment and Informed Consent:** Describe plans for the recruitment of subjects and the consent procedures to be followed. Include the circumstances under which consent will be sought and obtained, who will seek it, the nature of

the information to be provided to prospective subjects, and the method of documenting consent. State if the Institutional Review Board (IRB) has authorized a modification or waiver of the elements of consent or the requirement for documentation of consent.

- (4) **Potential Risks:** Describe potential risks (physical, psychological, social, legal, or other) and assess their likelihood and seriousness. Where appropriate, describe alternative treatments and procedures that might be advantageous to the subjects.
- (5) **Protection Against Risk:** Describe the procedures for protecting against or minimizing potential risks, including risks to confidentiality, and assess their likely effectiveness. Where appropriate, discuss provisions for ensuring necessary medical or professional intervention in the event of adverse effects to the subjects. Also, where appropriate, describe the provisions for monitoring the data collected to ensure the safety of the subjects.
- (6) **Importance of the Knowledge to be Gained:** Discuss the importance of the knowledge gained or to be gained as a result of the proposed research. Discuss why the risks to subjects are reasonable in relation to the anticipated benefits to subjects and in relation to the importance of the knowledge that may reasonably be expected to result.
- (7) **Collaborating Site(s):** If research involving human subjects will take place at collaborating site(s) or other performance site(s), name the sites and briefly describe their involvement or role in the research.

## INSTRUCTIONS FOR ED FORM 524

---

### GENERAL INSTRUCTIONS

This form is used to apply to individual U.S. Department of Education (ED) discretionary grant programs. Unless directed otherwise, provide the same budget information for each year of the multi-year funding request. Pay attention to applicable program specific instructions, if attached. You may access the Education Department General Administrative Regulations, 34 CFR 74 – 86 and 97-99, on ED's website at:

<http://www.ed.gov/policy/fund/reg/edgarReg/edgar.html>. You may access requirements from 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" cited within these instructions at: <https://www.federalregister.gov/articles/2013/12/26/2013-30465/uniform-administrative-requirements-cost-principles-and-audit-requirements-for-federal-awards>.

**You must consult with your Business Office prior to submitting this form.**

### SECTION A: BUDGET SUMMARY—U.S. DEPARTMENT OF EDUCATION FUNDS

All applicants must complete Section A and provide a breakdown by the applicable budget categories shown in lines 1-11.

- Lines 1-11, columns (a)-(e):** For each project year for which funding is requested, show the total amount requested for each applicable budget category.
- Lines 1-11, column (f):** Show the multi-year total for each budget category. If funding is requested for only one project year, leave this column blank.
- Line 12, columns (a)-(e):** Show the total budget request for each project year for which funding is requested.
- Line 12, column (f):** Show the total amount requested for all project years. If funding is requested for only one year, leave this space blank.
- Indirect Cost Information:** If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. Indicate whether or not your organization has an Indirect Cost Rate Agreement that was approved by the Federal government.
- (1) If you checked "no," ED generally will authorize grantees to use a temporary rate of 10 percent of budgeted salaries and wages subject to the following limitations:
    - (a) The grantee must submit an indirect cost proposal to its cognizant agency within 90 days after ED issues a grant award notification; and
    - (b) If after the 90-day period, the grantee has not submitted an indirect cost proposal to its cognizant agency, the grantee may not charge its grant for indirect costs until it has negotiated an indirect cost rate agreement with its cognizant agency.
  - (2) If you checked "yes" in (1), indicate in (2) the beginning and ending dates covered by the Indirect Cost Rate Agreement. In addition, indicate whether ED or another Federal agency (Other) issued the approved agreement. If you check "Other," specify the name of the Federal agency that issued the approved agreement.
  - (3) If you are applying for a grant under a Restricted Rate Program (34 CFR 75.563 or 76.563), indicate whether you are using a restricted indirect cost rate that is included on your approved Indirect Cost Rate Agreement or whether you are using a restricted indirect cost rate that complies with 34 CFR 76.564(c)(2). Note: State or local government agencies may not use the provision for a restricted indirect cost rate specified in 34 CFR 76.564(c)(2). Check only one response. Leave blank, if this item is not applicable.

**SECTION B: BUDGET SUMMARY—NON-FEDERAL FUNDS**

If you are required to provide or volunteer to provide cost-sharing or matching funds or other non-Federal resources to the project, these should be shown for each applicable budget category on lines 1-11 of Section B.

- Lines 1-11, columns (a)-(e):** For each project year, for which matching funds or other contributions are provided, show the total contribution for each applicable budget category.
- Lines 1-11, column (f):** Show the multi-year total for each budget category. If non-Federal contributions are provided for only one year, leave this column blank.
- Line 12, columns (a)-(e):** Show the total matching or other contribution for each project year.
- Line 12, column (f):** Show the total amount to be contributed for all years of the multi-year project. If non-Federal contributions are provided for only one year, leave this space blank.

**SECTION C: BUDGET NARRATIVE**

**[Attach separate sheet(s)] Pay attention to applicable program specific instructions, if attached.**

1. Provide an itemized budget breakdown, and justification by project year, for each budget category listed in Sections A and B. For grant projects that will be divided into two or more separately budgeted major activities or sub-projects, show for each budget category of a project year the breakdown of the specific expenses attributable to each sub-project or activity.
2. For non-Federal funds or resources listed in Section B that are used to meet a cost-sharing or matching requirement or provided as a voluntary cost-sharing or matching commitment, you must include:
  - a. The specific costs or contributions by budget category;
  - b. The source of the costs or contributions; and
  - c. In the case of third-party in-kind contributions, a description of how the value was determined for the donated or contributed goods or services.

[Please review ED's general cost sharing and matching regulations, which include specific limitations, in 34 CFR 74.23, applicable to non-governmental entities, and 80.24, applicable to governments, and the applicable Office of Management and Budget (OMB) cost principles for your entity type regarding donations, capital assets, depreciation and use allowances. OMB cost principle circulars are available on OMB's website at: <http://www.whitehouse.gov/omb/circulars/index.html>]

3. If applicable to this program, provide the rate and base on which fringe benefits are calculated.
4. If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. Specify the estimated amount of the base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which you are applying and/or your approved Indirect Cost Rate Agreement, some direct cost budget categories in your grant application budget may not be included in the base and multiplied by your indirect cost rate. For example, you must multiply the indirect cost rates of "Training grants" (34 CFR 75.562) and grants under programs with "Supplement not Supplant" requirements ("Restricted Rate" programs) by a "modified total direct cost" (MTDC) base (34 CFR 75.563 or 76.563). Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied.

When calculating indirect costs (line 10) for "Training grants" or grants under "Restricted Rate" programs, you must refer to the information and examples on ED's Web site at:

[www.ed.gov/fund/grant/apply/appforms/appforms.html](http://www.ed.gov/fund/grant/apply/appforms/appforms.html).

You may also contact 202-377-3838 for additional information regarding calculating indirect cost rates or general indirect cost rate information.

Provide other explanations or comments you deem necessary.

### ASSURANCES —NON-CONSTRUCTION PROGRAMS

---

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503

**PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.**

---

**Note:** Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant I certify that the applicant:

---

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management, and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States, and if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§ 6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§ 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§ 290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. § 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646), which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.

8. Will comply, as applicable, with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7326) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §§874) and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327-333), regarding labor standards for federally assisted construction subagreements.
10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq); (f) conformity of Federal actions to State (Clear Air) Implementation Plans under Section 176(c) of the Clear Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended, (P.L. 93-523); and (h) protection of endangered species under the Endangered Species Act of 1973, as amended, (P.L. 93-205).
12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1721 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.
16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead- based paint in construction or rehabilitation of residence structures.
17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations and policies governing this program.

## **INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES**

---

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.
3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.
4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.
5. If the organization filing the report in item 4 checks "Subawardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.
6. Enter the name of the federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.
8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number; Invitations for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/proposal control number assigned by the Federal agency). Included prefixes, e.g., "RFP-DE-90-001."
9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.
10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.  
(b) Enter the full names of the individual(s) performing services, and include full address if different from 10(a). Enter Last Name, First Name, and Middle Initial (MI).
11. The certifying official shall sign and date the form, print his/her name, title and telephone number.

**PAPERWORK REDUCTION ACT STATEMENT**

## **DUNS NUMBER INSTRUCTIONS**

---

### **D-U-N-S No.**

Please provide the applicant's D-U-N-S Number. You can obtain your D-U-N-S Number at no charge by calling 1-800-333-0505 or by completing a D-U-N-S Number Request Form. The form can be obtained via the Internet at the following URL:

**[www.dnb.com](http://www.dnb.com)**

The D-U-N-S Number is a unique nine-digit number that does not convey any information about the recipient. A built in check digit helps assure the accuracy of the D-U-N-S Number. The ninth digit of each number is the check digit, which is mathematically related to the other digits. It lets computer systems determine if a D-U-N-S Number has been entered correctly.

Dun & Bradstreet, a global information services provider, has assigned D-U-N-S numbers to over 43 million companies worldwide.
